## DEAD HUNTED IN SOUTH AS RIVERS RISE

3200 Homes Damaged By Twisters; 1727 Listed Among the Injured

GAINESVILLE, Ga., April 7. (AP) Rising rivers added the threat of widespread floods today to the distress of half a dozen southern states stricken by tornadoes which may have claimed a death toll of 500 persons.

About 450 bodies of victims of windstorms this week and last had been recovered and Red Cross authorities said 1727 persons were badly injured by the twisters which damaged 3200 homes.

Relief workers toiled under overcast skies at two mill cities hardest hit—Tupelo, Miss., and Gainesville, where death rolls mounted in each community to near 200.

Bodies recovered at Tupelo totaled 184; at Gainesville, 183. Sixteen other deaths in Mississippi, 12 in Tennessee, 10 in Alabama and one each in Arkansas and South Carolina resulted from the latest storm.

Rain-swollen streams threatened several communities which escaped damage from the \$25,000,000 twister Sunday night and Monday.

Highways Closed  
Floods, generated by four-inch rainfall, coursed through the Carolina foothills, closing highways.

About 200 Negro homes in Charlotte, N. C., were inundated. Bridges were washed away in eastern North Carolina.

The Washington weather bureau reported overflows in the Raleigh district and said "very heavy floods" might be expected on the Chesapeake and Potomac rivers.

The Okmulgee river was above flood stage at Macon, Ga., and West Point, Ga., was warned the Chattahoochee river would reach 26 feet—the level of a 1929 flood—tomorrow. Additional rain was predicted for Georgia and the Carolinas.

Continued cool weather and frost dominated the forecast for tornado-wracked states to the west.

Seek More Victims  
Storm-bred fires, which added heavily to the Gainesville death toll, still smoldered today. WPA workers, convicts and national guardsmen dug through debris of the business district to recover the last of the victims.

Civilians and soldiers searched for more victims in Tupelo as the (Please Turn to Page 2, Col. 5)

## Sidelights On Dixie Tornado

By the Associated Press

A dead man clutching a dead boy of about 10, lay on a morgue slab. A slip of paper pinned to the man's shroud read: "Unknown".

Among the pain twisted faces in one of the morgues—the calm features of a young girl, her skin spotted, her lips rouged. A beam crushed her chest as she stood in what she thought the safety of a doorway.

A young husband surveyed the ruins of his new home, commenting dully, "I paid the last note last week."

Two weeks ago Gainesville citizens voted to raze the old courthouse and build a new one. The wind did the first mentioned job in three minutes.

A figure dressed in a white Easter outfit stood motionless in the midst of ruins on a business street—a red carnation in the lapel. It was a dressed dummy, untouched by flying glass and bricks.

Shackles were removed from convicts while they labored with picks to remove bodies from wreckage.

## SAMPLE VOTE SHEETS HERE

Names of Six County Residents Listed On Five Ballots

Containing names of six residents of Orange county, sample ballots for the May 5 preferential presidential election were received this morning from Secretary of State Frank C. Jordan by County Clerk Joseph Backs.

Two Republican slates were filed. The first, for Alf M. Landon of Kansas, contains the name of State Senator N. T. Edwards, Orange; the second, for Earl Warren, the "unobstructed" slate, contains the name of R. Y. Williams, San Juan Capistrano.

Three slates were filed on the Democratic ticket. On the Franklin D. Roosevelt slate was named Hamilton H. Cotton, San Clemente; Leslie B. Harrison and Mary E. Croal, Santa Ana, are on the John S. McGroarty slate, and Barbara Brooks, Costa Mesa, is on the Upton Sinclair slate.

There also is space on the ballots, as they will be drawn up, for 44 Prohibition delegates, 7 Socialist delegates and 16 Communist delegates.

The sample ballots are being printed this week, Mr. Backs said, and will be mailed to Orange county voters in the near future. The Democratic party holds a slight lead, of 632 names, over the Republicans, according to pre-election registration figures.

## 3 Anaheim Men Killed By Train

COLTON, April 7. (AP)—Identification of five fruit pickers killed yesterday when a train hit their automobile was completed today as packing house officials. The victims: Antonio Cerrero, Anaheim; Sol Hernandez, 21, Lindsay; Eulalio Martinez; Antonio Hernandez, and Conception Quiroz, 36, Anaheim.

## 10 Killed as Mexico Train Bombed

### COUNTY PARK ROW TO BE SETTLED

Arbitration Is Near In Westminster Ball Field Squabble

Altercation over use of the Westminster ball field, a part of the county park in Huntington Beach township, probably will be settled by peaceful arbitration within the next week.

Despite threats of court action by O. E. Farnham, attorney appearing for interests seeking to throw the ball park open to the public, the problem was passed quietly for further consideration by the board of supervisors today, after Park Commissioner Willard Smith said a compromise agreement was being formulated.

The dispute, according to Supervisor Smith, is the culmination of "family quarrels" in Westminster. Delegations appeared last week to urge that the board throw open the park to the public, tear down the fence about it, and prohibit the charging of admission by the ball club for admittance to games.

Demands Pressed  
The delegation, headed by Attorney Farnham, re-appeared today to press its demands. An opinion of District Attorney W. F. Menton, citing three cases, in which he said the use of park property as a ball club was legal, was read.

After Mr. Farnham had taken objection to the logic of Mr. Menton's legal reasoning, Supervisor Smith took over the floor, informing the delegation and board members that a committee had waited on him yesterday, and that an equitable solution was being worked out.

Both To Use Park  
According to plans, both the ball club and other interests will be allowed to use the park, and admissions for games will be charged as before. No lease on the property will be made to any parties, members of the board said.

If the board tore down the fence and threw the park open to public use, without admission, the Westminster night ball club, a member of the National Nightball League, either would be forced to forego its charter or to seek another sponsoring city, it was declared by representatives of the ball club.

The matter will be up again for further discussion next Tuesday. In the meantime the park will be used as before.

## BLAZE ON SHIP IS SPREADING

SEATTLE, April 7. (AP)—Fire on the Norwegian motorship Tricolor, in the western Pacific, has spread and a forward hold has been flooded, a relayed message to the coast guard said today.

All vessels in the vicinity were asked to "stand by." The Tricolor, which had been racing to reach Honolulu since the fire became serious three days ago, has stopped and is keeping the stern to the windward to aid in stopping the flames' spread, the message said. Forty members of the crew remain aboard.

## Wilkie in Pension Probe Picture

Capt. Don Wilkie of Laguna Beach, former secret service man, has been employed by Dr. F. E. Townsend to investigate rumors about certain Townsend plan or-

WALTER L. TOWNSEND  
Capt. Don Wilkie denies he was hired to "scare" Walter.

## Hungary's Premier, Chief Of Peasant Party Engage In a Duel, But Both Miss

BUDAPEST, Hungary, April 7. (AP)—Premier Julius Goemboes and Tibor Eckhardt, leader of Hungary's peasant party, fought a duel today with pistols, firing at each other from a distance of 25 paces—but both missed.

As a result of the duel, both faced possible arrest. Each fired a single shot as they stood at one end of the historic tankard floor of the historic Francis Joseph cavalry barracks on the outskirts of Budapest.

The shots rang out simultaneously, the bullets crashing into the wall. The combatants immediately turned their backs on each other and stamped away unrecalled.

Carried Out Promptly  
Eckhardt delivered the challenge to the duel yesterday after a series of heated exchanges with the premier in a parliamentary committee session. The two principals appointed their seconds and carried out the combat promptly.

Goemboes had been challenged similarly several times last year, but on each occasion had talked himself out of the duel.

The premier and Eckhardt, accompanied by their doctors and seconds, came in separate cars and slipped into the rear of the barracks this morning to carry out their hostilities.

Small Fines Expected  
The duel master, as he examined their weapons, announced in a loud voice:

"I remind you gentlemen that dueling is against the Hungarian law, and I earnestly advise reconciliation."

Police were expected to be obliged to arrest both men as a result of their violation of the anti-dueling law. Usually a small fine is imposed.

## BURKE SEEKS RADIO KFVD

L. A. Station Transfer Application Filed By Local Group

J. F. Burke and his associates have stepped into the radio field. Steps had been taken today to transfer station KFVD at Los Angeles to the Standard Broadcasting Company, in formation of which Mr. Burke played a leading part. The Los Angeles Broadcasting Company, present owner of the station, has applied to the federal communications commission for a voluntary transfer of the station to the Standard Broadcasting Company.

This development was revealed in the record of filings before the commission, published in the weekly bulletin of the National Association of Broadcasters.

The consideration in the deal has not been made public. When negotiations began some time ago, the figures quoted in newspapers were from \$50,000 to \$65,000.

The communications commission has 60 days in which to act on the application for the transfer.

Mr. Burke, formerly a Santa Ana newspaper publisher, was in Los Angeles today. Directors of the Standard Broadcasting Company are J. F. Burke, Jr., son of the former publisher, Wayne C. Moon, his secretary, and John Colwell, Santa Ana attorney.

## Princess Olga Becomes Mother

BELGRADE, Yugoslavia, April 7. (AP)—Princess Olga, wife of Regent Prince Paul, gave birth today to a seven-pound girl who will be named Marina, in honor of the Duchess of Kent.

## TOLL MAY BE 50, STATES WITNESS

Passengers Trapped As Pullman Cars Leap Rails After Blast

(Copyright, 1936, by Associated Press)

VERA CRUZ, Mexico, April 7.—At least 10 persons were known dead today and it was feared possibly 30 others also perished in the bombing of a railway bridge near Paso del Macho which hurled the Vera Cruz-Mexico City night train into a ravine, a burning mass of wreckage.

A telegram from a Western Union linesman at Paso del Macho said the bomb exploded on the bridge, three miles west of there, and that two Pullmans went through the bridge and caught fire.

All passengers in those Pullmans, apparently about 40, were carbonized," he reported. "The engineer also was burned to death."

"One first class car also fell into the ravine but apparently all passengers escaped."

Rebels Suspected  
The bodies of a Pullman car conductor and a fireman were the first to be recovered by rescue parties, which could estimate only that "various others" were dead.

A group of unknown men, believed to be rebels, were reported to have bombed the bridge as the passenger train passed over it at 9:30 p. m., last night, two hours after leaving Vera Cruz for the capital.

The engine, two Pullman cars and the express and mail cars were precipitated into the barranca beneath the bridge.

Passenger Cars Burned  
The first and second class passenger cars, which did not leave the track, were burned after the explosion. It was not determined whether the attackers set fire to these cars, or if they caught fire from the bomb.

Several important figures in Mexican politics were aboard the train, including the three candidates for the gubernatorial nomination of the national revolutionary (government) party in the primary election held last Sunday.

They were Col. Eduardo Hernandez Chazoff, chief of the presidential staff of former President Pascual Ortiz Rubio; Gen. Zamaudio and Dr. Padilla. They were en route to Mexico City to present their reports on the elections.

Ohio At Flood Stage Again

CINCINNATI, April 7. (AP)—The Ohio river, nearing flood stage along all of its 851-mile length today, and again invaded lowlands.

Hundreds of families fled once more from their homes, many halting rehabilitation tasks.

Pittsburgh, where the river is formed by the Monongahela and the Allegheny, expected a crest of 24 feet, one foot short of flood level.

## Roosevelt Quits Fishing Tonight

MIAMI, Fla., April 7. (AP)—President Roosevelt planned to end his fishing trip in southern waters today and was ready to turn shoreward at nightfall for the return to the White House.

He will reach port, probably here, tomorrow shortly after noon and entrain immediately for his Warm Springs, Ga., home to spend Thursday. He will arrive in Washington about noon Friday.

## Taken By Death

Marilyn Miller, noted musical comedy star, who died this morning in a New York hospital after an illness of several weeks.

## MISS MILLER DIES IN N. Y.

Famed Broadway Star Of 'Sally' Passes After Short Illness

NEW YORK, April 7. (AP)—Marilyn Miller, 38, star of "Sally" and other musical comedy successes, died this morning at Doctors' hospital.

Miss Miller, in private life Mrs. Chester O'Brien, had been confined at the hospital for three weeks. She was admitted suffering from a sinus infection and last week a toxic condition set in.

Perfect Heroine

Marilyn Miller, at the height of her career, was regarded by Broadway showmen as the perfect musical comedy heroine, and the pattern of almost all aspirants to similar careers. She had loveliness, a sweet singing voice, a gift of piquant comedy and she was, more than anything else, a dancer of extraordinary skill and grace.

Her first great triumph was in "Sally," in which the late Florenz Ziegfeld raised her to stardom, after her distinguished service in "The Follies" and in the famous shows on the Ziegfeld roof.

Married Two Years Ago

She died less than two years after her third marriage. On Oct. 1, 1934, she married Chester O'Brien, a chorus man in her last starring show, "As Thousands Cheer."

Her first husband was the late Frank Carter, killed in an auto accident in 1920. Two years later she became the wife of the late Jack Pickford, motion picture actor and brother of Mary Pickford.

The Pickfords were divorced in 1927 when the Versailles tribunal in Paris awarded the dancer a divorce. Pickford died in France in 1933.

## GIRL ESCAPES AND HELPS SURVIVORS

Giant TWA Plane Falls Near Uniontown, Pa., In Stormy Weather

UNIONTOWN, Pa., April 7. (AP) Ten or 11 persons, passengers and pilots on a westbound Transcontinental and Western Air liner, perished today in a crash against a Western Pennsylvania mountainside.

Their giant craft, lost in black and icy weather and straining desperately to reach a safe port, smashed into jagged Chestnut Ridge mountain.

Three Escape  
Apparently but three of the occupants, one of them the girl hostess of the plane, escaped instant death. Both pilots and either eight or nine of the passengers died.

The only other woman on the plane, Mrs. Meyer C. Ellenstein, wife of the mayor of Newark, N. J., was known to be alive. Two men passengers were reported in a critical condition.

At Newark, from which the plane departed, the following list was made public by TWA, including names of 11 passengers and a crew of three:

R. G. Evans, Pittsburgh, Pa.

Charles H. Smith, New Kensington, Pa.

D. V. August, Grove City, Pa.

Crawford Kelly, McKeesport, Pa.

C. D. Bayersdorfer, Steubenville, Ohio.

Frank Hardeman, New York City.

Mrs. Meyer C. Ellenstein, Newark, N. J.

C. G. Challinor, no address.

(No first name) Heffernan, New York City.

Ed. R. Lewis, New York.

The pilot, co-pilot and stewardess were residents of Kansas City.

Otto Ferguson, the pilot, had been a TWA employee for four years. Prior to that time he engaged in private flying here.

H. R. Lewis, the co-pilot who also died in the crash, was with the old National Air Transport company here before he joined TWA four years ago.

Miss N. H. Granger, the stewardess, had been in the employ (Please Turn to Page 2, Col. 4)

## Borah Today Gets Test in Wisconsin

MILWAUKEE, April 7. (AP)—Senator William E. Borah's strength as a Republican presidential contender underwent its first western test today.

Wisconsin voters were deciding between a slate of 24 national convention delegates pledged to Borah and an unopposed group backed by the state G. O. P. organization.

At the same time, Milwaukee's Socialist administration hung in the balance in a mayoralty contest that pitted Mayor Daniel W. Hoan, Socialist who held the office 20 years, against Sheriff Joseph Shimmers, a non-partisan supported by many business interests.

## Doomed Trolley Wires Recall Days of 'Dummy'

By ROCH BRADSHAW

The last vestige of a transportation system which used to link Santa Ana and Orange is apparently doomed to vanish.

All that remains is a trolley wire, and the city planning commission wants that removed. At least it would like that part of it between Fourth street and the city limits taken back to Orange.

The city council last night considered the recommendation and it was referred to City Engineer J. L. McBride and City Attorney L. W. Blodgett.

The trolley wire was used by a Pacific Electric carline that used to run between Santa Ana and Orange. But in the old days the vehicle that made the trip was called a peanut roaster. Sometimes it was just dubbed "the dummy."

There once was a car line that ran from El Modena through the city to Santa Ana and out to Tustin. There is a story to the effect that the donkeys pulling the old car between Orange and El Modena used to get free rides. After dragging the car up the

slight grade to El Modena, the little beasts were tired. When it was time to go back to Orange they were hoisted to the rear platform. The car coasted back down the grade and the donkeys brayed contentedly at the passing scenery.

The horse car stage passed and the day of the "dummy" arrived. The "dummy," or "peanut roaster," was a steam-driven affair with an upright steam engine in the center of the car. It used to run from the plaza at Orange to the Santiago creek bridge. There

it was met by an electric car in later years.

On circus days, or days when the annual parade of products was staged here, the old "dummy" was overworked. The folks at Orange piled onto every place on the old car where there was a foothold. Then they scrambled up on the roof. When everything was ready the engineer, E. J. Towle, pulled the car onto the tracks, gave a couple of toots on the whistle, and the old crate began to move.

# FRANCE TO DEMAND ENGLAND JOIN ACTION AGAINST GERMANY

## FLANDIN WILL TAKE OFFER TO GENEVA

Selassie Blames League For Not Halting War With Italians

(Copyright, 1936, by Associated Press)  
PARIS, April 7.—Foreign Minister Pierre-Etienne Flandin, ready to serve notice on Britain that she must join repressive action against Germany in the event of a "break-down on negotiations," turned to Geneva today with France's proposal in the Rhineland crisis.

Official sources said the French regarded the March 19 London agreement of the Locarno powers, providing for military aid in the event of a German attack and for measures to "meet the new situation," as their trump card.

**Hitler 'Obstinate'**  
France's delegates to Geneva would insist that such measures take the form of sanctions or other punitive action, officials said, if they encountered an "obstinate refusal by Adolf Hitler to make some reparation for his Locarno violation."

Flandin carried to Geneva a three-point plan to meet the situation caused by Germany's remilitarization of the Rhineland March 7 and simultaneous denunciation of the Locarno pact.

Informed sources said the program was:

1. A request to the other Locarno powers—Great Britain, Belgium and Italy—to seek action against the Reich under the league covenant.
2. A refusal to accept any fortification of the Rhineland, bordering on France and Belgium, which was demilitarized under the treaties of Versailles and Locarno.
3. An absolute rejection of Hitler's proposal for four months' negotiation of new, separate peace pacts, to be substituted by France's policy of a collective security system.

### ETHIOPIA BLAMES LEAGUE FOR NOT HALTING WAR

GENEVA, April 7. (P)—The Ethiopian government asserted today in a new appeal for help that Italy had succeeded in disrupting the League of Nations.

"There is no doubt," said the appeal, "that had the states which are members of the league adhered to their resolves to stop the aggressor by applying effective sanctions, the war would quickly have come to an end."

"The Italian government, however, succeeded in sowing dissension within the league, preventing the imposition of effective sanctions and securing the postponement of those it feared, especially an oil sanction," the Ethiopian note said.

### CASTEIX GRANTED 30 DAYS LEAVE

Thirty days leave of absence, commencing on May 1, was granted Deputy Coroner Bert Casteix this morning by the board of supervisors.

Mr. Casteix, who commences his vacation next Monday, is planning a six-weeks trip to Louisiana, his native state. His family will accompany him.

## Quits Democrats

George Cree, writer and long-time Democrat, above, today announced in Washington he was "without connection, direct or indirect with the Democratic organization, either national or local. The continued rumors that I am on a supposititious Democratic strategy board are absolutely baseless. Even more baseless is the report that I am being considered for, or that I would consider, any government post. Under no circumstances would I accept any political office even if offered," he said.

## HUGE PUBLIC DEBT SEEN BY BELL

WASHINGTON, April 7. (P)—Daniel W. Bell, acting budget director, told the house ways and means committee today the public debt will reach \$34,500,000,000 by June 30 if the total cost of paying the bonus is included.

He emphasized, however, that the treasury was unable to tell what portion of the bonus certificates will be presented for payment by that date.

Bell appeared before the committee considering the \$799,000,000 tax program at the request of Republican members. They led him through such a maze of inquiries that Representative Vinson (D., Ky.) protested they were "dull."

The financial expert testified that while there is no such thing in the government as an "extraordinary budget," the government does have extraordinary expenditures.

## Body Is Sighted Off Breakwater

LOS ANGELES, April 7. (P)—A body was sighted floating at sea seven miles off the San Pedro breakwater today, and a coast guard patrol boat set out to determine if it was one of three youths feared drowned when their skiff overturned Saturday.

The body was seen by the crew of the Santa Catalina amphibian airplane. The youths' boat was found midway between Catalina island and Laguna Beach.

## IRVINE DEER EAT HEARTILY

Costs Ranch Owner Just \$300

### MORE ABOUT WILKIE

(Continued from Page One)  
brother of Dr. Townsend, who was a director with Dr. Townsend and Mr. Clements in the original organization.

An Associated Press dispatch from Baltimore today said that new dissension in leadership of the Townsend organization was disclosed after directors met to "shape policies." The group demanded the resignation or removal of Mr. Highley, whose club at Los Angeles has 22,000 members.

**Highley Known Here**  
Mr. Highley is well known among Townsend plan supporters in Orange county, having spoken here on a number of occasions. He addressed club No. 3, Santa Ana, three weeks ago, when about 800 persons were present at the meeting.

Dr. Townsend refused to vote on the resolution proposed at Baltimore, which charged that Mr. Highley conspired with Mr. Clements "in a course of disloyal conduct."

**Suggest Expulsion**  
This "conduct" was said in the resolution to have been directed "toward not only Dr. Townsend and the board of directors, but toward the Townsend pension organization as well." The directors said they had "lost all confidence" in Mr. Highley. They suggested that the club expel him if he refused to resign.

The investigation was halted temporarily today while Representative Cavanaugh (D., N. Y.), prepared to leave tomorrow for California to get affidavits needed by the committee.

Headquarters of the Townsend plan yesterday denied reports that Dr. Townsend would resign. A statement said he was "in the midst of reorganizing the movement."

## 'Bum' Blockade Will End Soon

LOS ANGELES, April 7. (P)—Los Angeles' border patrol, which reversed the stream of indigent transients into California, is nearing an end.

Crediting his "foreign legion" with saving the city from a seasonal crime wave, Police Chief James E. Davis said he expected to call the last of the 136 patrolmen home soon. Barely a score or more of the original detail now remain on duty in the southern counties of Riverside and Imperial. Los Angeles bluecoats having been withdrawn from all other stations on the 1000-mile boundary line.

## Hogue Named Brea Postmaster

WASHINGTON, April 7. (P)—The postoffice department announced Monday the appointment of Lynn A. Hogue, Brea, Calif., as acting postmaster.

George Rheam, whose small ranch is located near Irvine park, would like to declare an open season on deer, according to a report filed in the sheriff's office today.

Mr. Rheam told officers that several months ago when this particular area was subjected to an unusually strong wind, six deer that had been kept in a pen at Irvine park escaped. Naturally, the deer, like all other vegetarians, have lusty appetites. Since no one would feed them, the deer apparently made up their minds to take care of the situation as best they could.

Mr. Rheam told officers that since their escape, the deer had run up a feed bill of approximately \$300. This, he said, represented the amount of damage the deer had done to crops in the vicinity. He also said he had asked park officials and the district attorney to do something about the situation, but so far the deer are still dining free of charge and at his expense, he says.

Chief Criminal Deputy Merl Dean announced today that the situation was just a little out of his line of work. He has turned the matter over to Game Warden H. C. Jackson for solution.

## MORE ABOUT PLANE CRASH

(Continued from Page One)  
of the company only a few months.

The hostess stumbled to a farm house and telephoned air line officials in Burbank of the wreck. There she made her way back to the scene of the crash.

She is a registered nurse, and sought to give aid to any living passengers.

TWA officials expressed the belief she probably had escaped because she was in the rear of the plane.

The plane, groping blindly in weather described as "absolutely zero," last was heard from at 10:05 a. m., eastern standard time.

**Passed Scheduled Stop**  
Then it reported its position as 10 miles east of Pittsburgh, it had passed up a scheduled Pittsburgh stop because of the weather, and sought to reach Columbus, Ohio.

Jack Frye, president of TWA, said the pilot had advised the Pittsburgh airport the plane was 30 miles off its course because of the weather. He was flying at 3000 feet, he said.

Frye said the course was being directed by a new type of beam. More than four hours later, reports reached Uniontown that a WPA worker had found the wreckage of the giant ship, crushed against the mountainside about seven miles west of the coal mining city.

Searching planes were droning over the broken countryside at the time.

Quickly the TWA offices in Pittsburgh reported a telephone call from the hostess.

She was injured slightly, she said, having suffered a bump on the head.

**Survivors Unknown**  
First reports did not say which of the occupants, besides Mrs. El-lenstein, had survived.

Every available ambulance roared to the scene, but officials said it would be some time before the bodies could be carried down a tortuous mountain trail.

The terrain in which the plane crashed, near historic Fort Necessity, is one of dense woods, mountain ridges and coal mining developments.

Four of the passengers, it was learned, were cadets at the Valley Forge Military Academy, homeward bound for Easter vacation. They were listed as D. V. August, Grove City, Pa.; R. G. Evans, Pittsburgh; Charles H. Smith, New Kensington, Pa., and Crawford Kelly, McKeesport, Pa.

## To Build 31 Planes For Foreign Power

LOS ANGELES, April 7. (P)—Reports that 31 high-speed airplanes will be constructed in a new Los Angeles factory for use by a foreign military power as attack bombers were confirmed today by Gerard F. Vulture, aircraft engineer.

Vulture, chief engineer and designer for Airplane Development corporation, said the concern would move from Grand Central Air terminal, Burbank, to larger quarters in the old Emsco plant at Downey.

Vulture and other company officials refused to disclose the identity of the foreign purchaser.

## 95 More Lots to Be Sold By County

Ninety-five more of the tiny oil lots near Huntington Beach will be returned to the county tax rolls in the near future. The board of supervisors this morning granted permission to Tax Collector J. C. Lamb to sell the lots.

A bid of \$130 per lot, or \$123.50, was received by Mr. Lamb from Thomas Van Talbert, rancher of 518 Ocean avenue, Huntington Beach. The lots, located near the Santa Ana river and the ocean, are slightly larger than the 405 sold last week, measuring 25 by 100 feet in area.

## F. D. R. OKEHS \$90,001 NEW PROJECTS

Orange county projects costing \$90,001 were given approval Monday by President Roosevelt and the comptroller general's office at Washington, according to information received at the Works Progress administration office here.

The largest project is the Moulton road, between the state highway near El Toro, to the Laguna canyon road, a distance of four miles. This project provides for clearing the right-of-way, installing drainage structures and cattle passes, grading, surfacing and fencing the right-of-way.

The federal government will provide \$25,816 for this work, while the county as sponsor will provide \$14,033. Eighty-one men will be employed.

Improvement of Anaheim streets was another project approved. This will be financed by \$11,456 of federal funds and \$6401 of city funds. There will be work for 46 men.

San Clemente street improvement, employing 21 men, will cost the federal government \$9760 and the city \$2976.

Construction of a concrete reservoir for the Laguna Beach county water district will be financed by \$12,450 in federal funds and \$8079 of sponsor's funds. Twenty-five men will be employed.

## MORE ABOUT TORNADO

(Continued from Page One)  
battered set out to bury their dead.

Tornadoes last Thursday killed 43 persons, centering their fury upon Cordele, Ga., and Greensboro, N. C.

Scores of injured from the two storms lay in hospitals of Memphis, Tenn., and Atlanta, Ga., but hundreds were attended as conditions best would permit in hastily improvised havens near the spots where they were struck down.

**Terrific Loss**  
The material loss in Tupelo was estimated at \$8,000,000; in Gainesville, city officials said the damage would total \$15,000,000 and that at least 10 years would be needed for full recovery.

Thousands of persons, many of them homeless and mourning their own dead, searched wearily through the debris for other victims.

Gov. Hugh White of Mississippi took personal charge of relief activities at Tupelo.

After inflicting heavy property loss at Acworth and Lavonia in its journey across Georgia the wind descended on Gainesville and then struck again at Anderson, S. C., just across the Georgia-Carolina line where 30 were injured, although none was reported killed.

**Business Area Wrecked**  
Last night only three minutes in Gainesville the twister spread throughout the business district. Not a structure escaped its fury in 14 solid blocks of brick structures.

Beautiful homes were a mass of splinters. The Negro section was leveled. In many places not even the foundations were left to show where buildings had been.

Rain and fire added to the misery of the situation. Time and again firemen had to move hoses to care for a new outbreak of flames.

Authorities said several leveled business structures probably would yield additional bodies. For many hours after the storm it was possible only to seek out places where most bodies could be found.

Firemen with apparatus from as far away as Atlanta, 60 miles to the southwest, fought sporadic outbreaks of flame in the destroyed area throughout the day and night.

During last night Atlanta policemen also on guard duty arrested five youths for looting.

### LEASE RENEWED

The lease of W. J. Richardson, on the tract of property adjoining the Orange county juvenile detention home on Fruit street, was renewed this morning by the board of supervisors for five years. Mr. Richardson pays a yearly rental of \$140 for the plot, which he uses for farming purposes.

## Man 'Falling All Over' Is Only Novice Bike Rider

"Say, there's a man up here at Fourth and Ross streets falling all over the place. Maybe there's something wrong."

The police desk sergeant who took this report over the telephone yesterday thought maybe there really was something wrong. Consequently, an officer was dispatched to look into the matter and put the situation under control—that is, if there really was a situation.

The officer returned to the station a short time later. He hadn't found the man that was falling "all over the place," but he had learned the cause of the original report.

## CITY'S BUDGET 'BALANCED'

Money in Municipal Pocket

Santa Ana today was able to jingle some money in its pocket, despite the fact that expenditures during the past quarter have exceeded budgeted estimates. In fact there is a surplus of \$11,137.77 above the amount anticipated in the treasury at this time.

City Auditor Lloyd Banks reported this condition last night to the city council. He said that for the third quarter of the fiscal

year, ending March 31, receipts were \$21,000 over the amount that had been expected. This was due largely to the fact that this year the city has been receiving delinquent tax payments each quarter, whereas in the past they have come in annually, Mr. Banks explained. The city's taxes are collected by the county.

Mr. Banks estimated that in this manner the city will gain \$15,000 over the amount anticipated this year.

Total expenditures, his report said, have been more than \$8800 over the budgeted estimates. This includes all unforseen expenses not listed in the budget. Despite this fact there still was a surplus of \$11,137.77.

Mr. Banks said there was a balance of \$165,966.36 in the treasury on April 1.

## LIST OF AAA'S PAYEES CUT

WASHINGTON, April 7. (P)—The senate agricultural committee backtracked partially yesterday on its resolution asking the names of all AAA beneficiaries of \$1000 or over and voted to ask only for data on those receiving \$10,000 or more, in any contract year.

This action was taken after the committee had received from Secretary Wallace a report showing payments under the old AAA had ranged up to \$1,067,665, the sum paid one Florida sugar corporation.

The exact action taken by the committee was in doubt even among the members. The general consensus was that the request on Wallace would bring less information than asked originally by Senator Vandenberg (R., Mich.) in presenting the resolution.

## Boy to Sing Here

DEWI JONES

Dewi Jones, Welsh boy soprano who has been hailed as the "greatest living boy singer," will sing sacred and secular solos this evening at 8 o'clock in the First Methodist Episcopal church, Sixth and Spurgeon streets.

Miss Olive Ekanor, Schweitzer, Santa Ana pianist, will play accompaniments for the 13-year-old lad who has sung with Paul Whiteman's band, the Chrysler male chorus of 200 voices, and was engaged when only seven to sing at the Welsh Easter festival at Swansea, Wales.

## 'CALL OF WILD' RETURNS HERE

Planned as a special attraction for school children during Easter vacation week, "The Call of the Wild," starring Clark Gable, Lorena Young and Jack Oakie, returns to Walker's State theater Wednesday for an engagement of two days.

Also on the bill is "Guard That Girl," and a short subject, "Nutville."

This is the third time "Call of the Wild" has been shown in Santa Ana, and the second time at Walker's State. It tells the story of how two prospectors help a woman locate a lost gold mine in Alaska, and how they find it despite the work of enemies who besiege them at every turn.

In addition to Gable, Oakie and Miss Young, the cast includes Reginald Owen, Sidney Toler, Katherine DeMille and Frank Conroy.

Robert Allen and Florence Rice are the stars of "Guard That Girl," a murder-mystery story that puts a million-dollar heiress on the spot. Others in the cast include Ward Bond, Barbara Kent, Arthur Hohl, Wraymire Birch, Thurston Hall and Bert Roach.

## Meet Your Neighbor

The Journal's Compilation of Orange County People You Should Know.

Name. Barbara Ward.

Occupation. Candy Salesman (student).

Home address. 905 South Birch.

When and where were you born? Stockton, Calif.

What is your hobby? Writing.

What is the hardest task you ever encountered? Housework.

What career offers the greatest opportunity to young men and women? Journalism.

What list of news has interested you most recently? Hauptmann and storms in other parts of the country.

If you were editor of The Journal what one change would you make in the paper? Make the third page a news page.

What do like best in The Journal? The editorial page.

What one thing would help Santa Ana most? Modernization of more of Santa Ana's stores and businesses.

What in your judgment is the most important problem facing the world today? Why? Paying for the last war and keeping out of the next one, for reasons of self-preservation.

## COURT BRIEFS

The Bank of America National Trust and Savings corporation started suit in superior court today against Lulu M. Purviance, to quiet title to two lots in tract 849, Orange county.

The Corona Investment company, Corona, filed a three-fold complaint for \$1491.69 against Dorothy L. Gardner and J. L. Gardner in superior court today.

The suit is based on a conditional sales contract for the purchase of a car in 1931, for \$378; on a promissory note, also executed in 1931, for \$822.57, and on a claim for rent, due to Madeline D. Geith, of \$365, and transferred to the investment company.

LeRoy Schultz has started suit against J. L. Beebe in superior court for \$2000 damages, due, he claims, for the unlawful possession since Sept. 10, 1931, of a lemon grove near Anaheim, with fruit to the value of \$2000. He also asks conversion of the property and court costs.

City Auditor Lloyd Banks made a financial report for the third quarter of the fiscal year. It showed that although total expenditures have been more than \$9800 over the budgeted allowance, there was a surplus of all operations of \$11,137.71 at the close of the quarter.

A letter was received from Charles Faller, head of the National Re-employment service here, thanking the police department for assistance in making the work of his organization possible.

An application of C. H. Eckles, owner of the Santa Ana bus lines, for permission to extend the North Ross street line about one and one-half miles was referred to the taxicab committee.

The council granted permission to W. Ray Edwards to erect a circular steel illuminated sign at his service station, 2054 South Main street.

H. G. Nelson filed an application to serve as a special police officer, without pay. The application was granted.

Permission was granted to three applicants to hang electric signs, subject to approval of Electrical Inspector W. O. Packard. The applicants were Wilson and Hill, 228 North Broadway, the Brooks

clothing store, 202 West Fourth street, and C. V. Angle, 312 North Birch street.

The application of E. Lament for permission to conduct a dance hall at 1023 East Fourth street was referred to Police Commissioner Plummer Bruns and Police Chief Floyd W. Howard.

A license to operate a taxicab was granted to A. D. Lewis, Box 74, route 3, Santa Ana.

Monthly reports of city officers were filed and referred to the finance committee.

A recommendation by the city planning commission that trolley wires between Fourth street and the city limit on North Main street be removed was referred to City Attorney L. W. Blodgett and City Engineer J. L. McBride.

The council granted the application of Robert Affleck for permission to operate a used car lot at 315 East First street, on the recommendation of the planning commission.

Acting on a recommendation by the planning commission, the council denied the application of C. J. Kimball to conduct a wholesale poultry market at 1135 West Highland street.

Councilman Ernest Layton recommended that the council authorize payment of \$125 to the Rotary club for the Boy Scout cabin in Jack Fisher park. The cabin was built by the Rotary club and will now be taken over by the city. Councilman Layton said a recreation building will be erected in the new Santiago parkway and this will be available for use by Boy Scout troops.

The council appointed City Engineer McBride, City Attorney Blodgett and City Auditor Lloyd Banks as a committee to confer with Mr. Price, who has a contract with the city for garbage disposal, was reported by Councilman Layton and work out a new contract. It

Brick Dust

Here and There With  
The Journal's  
Rambling County Editor  
By T. N. (BRICK) GAINES

ANOTHER old Spanish custom has been brought to light—this time in Olive—that has made money for its originators.

Mexican children in the school there, we hear, resurrected a pretty Easter custom. In the good old days, tops were cut from eggs, the insides disposed of and the empty shells filled with colored bits of paper. Then, when Easter came along, the shells were thrown and burst on heads of celebrants.

The youngsters tried out the same thing at Olive, and the custom immediately became popular. Other youngsters started buying the shells from Mexican children, to shy at teachers and each other. It was a profitable business for awhile.

Yeah—we were wondering the same thing—were all the eggs emptied? They were, as far as we've heard.

Teh, toh! We hear, via Capt. George Portus, that the liquor dealer situation at Laguna Beach is now worse than the angle-parking situation was a while back in the beach town.

There are now 63 persons who, in some way or other, deal in intoxicants, it's reported.

Let's see—population around 3000. About one-third would be men—1000. Sixty-three dealers, then, would make the percentage about one dealer to every 15 buyers.

We can see only one way for that large number to continue to thrive—they might try selling to each other!

The state fish and game commission is now printing a magazine.

In that magazine is a good lesson for anyone who's thinking of slipping into town after dark with a load of undersized lobsters.

Arrests and convictions by commission wardens in the past month are listed, showing the place where the crime was committed, the arresting officer, the offense, the fine and the judges before whom the law-breakers appeared.

Here are some of the outstanding convictions—undersized Pismo clams, fine, \$25; possession deer, closed season, fine, \$25; taking mountain quail, fine, \$25 and the judge kept the hunter's gun; hunting, no license, \$10; overlimit, abalones, fine, \$25; possession female deer meat, fine, \$200; selling wild ducks—125 days; fishing, no license, \$10; taking non-game birds, \$25, and the judge kept the gun; possession and killing pheasant, \$25 and gun confiscated; night hunting, with spotlight, \$10.

Here are some others: possession rabbits, closed season, 40 days; suspended; killing ducks, closed season, \$250 and gun confiscated; taking sandhill cranes, 10 days; hunting, no license, \$25; sale of deer meat, 100 days; possession quail and pheasant, \$100 and gun confiscated; possession undersized crabs, \$25; possession meadow lark, \$25. Yes, and lots of others too.

And that isn't all, either. Several arrests and convictions of oil companies for pollution are shown. Mostly in the Huntington Beach and Signal Hill areas. Fines run from \$25 to \$100.

I've found out how to get a free boat ride.

Just happen into Harbor Master Tommy Bouche's office when a law-breaking boat goes by. He'll say "Come on, let's go get that guy," and you'll go for a ride.

At least, that's what he did yesterday.

This certain boat, a huge tug-like business, went barging up the bay, creating waves that were rocking all small boats and threatening to do great damage.

So we chased up the bay, too, in Tommy's trim little speed-boat and overhauled the big barge. Tommy told the pilot a thing or two about speeding on the bay.

On the way back, we talked of the manifold duties of a harbor master. They seem to include everything from being a private detective and speedboat to a finder of lost children and lifesaver. Only Sunday Tommy had to chase out after several capsized sailboats and ferry the former occupants to shore.

He's running about all day, when there's any sort of crowd at the beach, helping folks and protecting property and keeping as busy as a mama chicken with a dozen youngsters. In spite of the fact that he has a nice boat to ride around in, we don't envy him very much!

## Farm Center Meetings

WEST ORANGE HOME department, noon, at home of Mrs. W. M. Corey, 415 West Nineteenth street, Santa Ana; covered dish luncheon. Subject: Dress finishings. Mrs. J. F. Mueller, chairman.

# ANNUAL AQUATICS PARLEY SLATED AT NEWPORT SATURDAY

## DEVELOPMENT AND SAFETY TOPICS

Frank Crocker to Head Local Committee in Charge of Event

NEWPORT-BALBOA.—With beach safety, development and recreation the three main topics for discussion, the fourth annual southern California aquatics conference will be held in the Newport Beach elementary school beginning at 9:30 a. m. Saturday, it was announced today.

The conference is held under auspices of the public beach coordination committee and the Newport Harbor chamber of commerce, with Frank Crocker chairman of the local committee and Frank Davenport general chairman.

Registration opened at the elementary school at 9:30 a. m., with Mr. Crocker chairman at the morning session. Charles Sumner, Los Angeles county recreation department, will open the program with a talk on "Beach Rules and Ordinances." "Preventive Principle in Beach Life Saving" will be the topic of a talk by Capt. J. W. O'Connor, also from the Los Angeles playground department and Lieut. Jerry Halton, Santa Monica life guard, will speak on "Beach Safety Equipment." A talk by Bud Higgins, Huntington Beach life guard chief, on "Beach Operation" will close the opening session.

Mr. Davenport will be chairman of the luncheon session. W. A. Kearns, superintendent of the San Diego recreation department, will speak on "What We Need for Public Beach Development" as the opening talk. Mr. Crocker will talk on "Personnel and Organization" and discussion of the subjects will follow.

At the beach development session, opening at 3 p. m., Warden Charles L. Towers, fish and game commission, will speak on "The Beach Pollution Problem." G. A. Johnson, Los Angeles county engineer's office, will take the topic, "The Relation of Engineering to Beach Development" and Charles Dunn, Santa Barbara county forestry service, will explain beach recreation in Santa Barbara county.

At 4:30 p. m. members attending will be taken on a boat trip around the recently completed \$2,000,000 harbor development project.

Conference Slated  
From 5:30 to 6:30 p. m. conference and section meetings will be held. At the banquet session, opening at 6:30 p. m., Major George Braden, western representative of the National Recreation Association, will be chairman, with Dr. C. L. Lowman to speak on "The Values and Dangers of Sunlight for the Masses." E. Ehrke will introduce Guy Fleming, superintendent southern district state parks, who will speak on "Contemplated Development of State Beaches."

Following the banquet session, a beach recreation program will be held, featuring motion pictures of Los Angeles, Long Beach and surfing pictures.

## ORANGE CLUB HAS MEETING

ORANGE.—A meeting of the Woman's club Monday afternoon was sponsored by the garden section of the club, with Mrs. Grace Hosmer, Laguna Beach, guest speaker. Her topic was "Flowers and Flower Arrangements."

She demonstrated with bowls of flowers brought by club members, and gave constructive criticism on their arrangement. One should study the room in which flowers are placed, that the bouquet may be adapted to it, she stated.

A group of garden songs was sung by Mrs. Sally Coe Mueller, accompanied by Mrs. Bess Coe. A profusion of flowers was used in the decorating committee, which included Mrs. C. E. Short, Mrs. D. Rothenberger and Mrs. George Peterson, jr.

Tea was served in the lobby following the meeting, with Mrs. Fred Alden and Mrs. A. H. Hallock presiding at the tea table. Door hostesses were Mrs. Perry Groat, president of the section; Mrs. Henry Meier and Mrs. Fred Alden.

## G. G. Residents On Vacation

GARDEN GROVE.—Mr. and Mrs. Joe F. True left Monday for a two-week vacation trip. First they will go to Yosemite and later visit relatives near Sacramento. During their absence Mrs. Alice Sherar and Betty Cahill, Los Angeles, are occupying the home.

Miss Lois Alstot, Santa Ana, was a dinner guest at the E. C. Whipp home Saturday.

Earl Williamson and Bill Guyton have gone to San Francisco for a visit with the later's uncle Dr. and Mrs. A. C. Robbins. Postmaster and Mrs. Clair Head and Mrs. Ernest Fulson left Saturday to spend this week fishing below Ensenada.

Mr. and Mrs. E. A. Wakeham were guests at a dinner party given Saturday evening at the Los Angeles home of Mr. and Mrs. Amos Shumway.

Mr. and Mrs. A. E. Eidelson and

## Expo Music Goes 'Rand' and 'Rand'

It's news when a man bites a dog. It's bigger news when Sally Rand, world-famous dancer, tosses away her fans and bubbles. Cloaked in a veil of mystery are Sally's plans for a sensational new dance which she will introduce at the California Pacific International Exposition in San Diego, during a week's engagement starting Saturday, April 11. Sally's performances will be free to all exposition visitors.

## Cormorants, Seagulls and Hotels in 'Coastlines'

By McDONALD WHITE  
Laguna awoke Saturday morning to a blustering wind and a pack of new faces. Like the swirling whitecaps on the ocean, the stampede of youth was on. Cars careened around corners and skidded to a stop in front of apartment houses and places to rent. Priceless pulchritude took to the beaches to brave the blasting winds for what little sunshine there was to absorb. But their male escorts came dressed for an arctic expedition. Wonder if it has anything to do with that extra layer of epidermis? Ask Tanya! Came the dark, lightest Camera! Whoopie! And another whoopie! Or was that an echo from Newport and Balboa? Who's that blonde tripping into the dance hall on the arm of Mr. Lothario? And that languorous brunette with the smoldering eyes? Ladies on a lark? That's right. But those two standing over there in the corner by themselves discussing, of all things, algebra. Please, won't someone tell them that school's out!

A new angle on the new hotel on the point, Carlos Drake is a member of the board of directors of the Laguna-Riviera Hotel Co., Inc. His wife, brunette, attractive, has ideas for the future of her two children. Which also applies to the growing generation of Laguna residents. It is her notion that a fine hotel in Laguna will offer not only one to the community but an excellent place for young people to entertain and be entertained.

According to proposals of Alfred Violette, who heads this project, there will be facilities for all kinds of recreation, entertainment and dancing de luxe. Mrs. Drake feels that a place of this kind will take the edge off of back-hills necking parties. Anyway, it's an idea that will appeal to a lot of young parents who aren't so dusty that they've forgotten what it's all about.

And one more thing about the future location of the hotel. Fred Violette and Ted Lucas are running the auto-trailer camp, which will be open until after Labor Day. Eve Lucas, thinking the boys might be lonely out there, recently bought a month-old goat. His name is Spike, which is pretty strong language in some quarters, but he's mild as the month of May. Aside from the almost continual ba-a-a-a-ing (as in bats) he's a friendly little cuss to have around. Eats all the grass within range of his rope, but prefers the straw from an ancient broom.

He outruns Stan Johnson without half trying. All the guests like him because he goes to sleep right after sundown. And he's still young enough to think his horns are ornaments. So before this discourse drifts into the depths of punning, it's time to call a halt.

Gene Douglas got a big hand for his persevering efforts managing the recent flower show. When it was all over Saturday night he looked tired. He and all the others responsible for the success of this beautiful display certainly won't wear their orchids. Hundreds came and voted their favorites.

Although the Community Players' production "Angel With Two Faces" measured up to all requirements of the drama, most of the audience left with a feeling that they would have rather seen a good comedy. The play is good, the acting not disappointing, but revolutionary Russian drama doesn't have the ring of reality in the old home town. Folks want a few laughs after the dinner dishes are washed.

All of Laguna's seals abandoned the local rookery, Bird Rocks, over the week-end. The storm proved too much for even these hardy swimmers. With waves crashing over the smaller rock and nearly over the larger one, Samuel and the whole flock had sense enough to move on. Certainly not to Huntington Beach or Newport. Too many fishermen up that way.

Curious thing about those stormy days was that the cormorants, sleek, long-necked black sea birds, took possession of the rocks, which normally are shared by pelicans, sea gulls and seals. They settled in large numbers on the bigger rock, and there squatted out of reach of the enormous combers. Towards sundown first came the seagulls, screaming and circling over the invading cormorants. But they made no attempt to oust them. Either prior rights hold in the bird kingdom, or else cormorants are the boss breed. When the sea gulls had gone the cumbersome, gawky pelicans soared up from the south, rocking in the wind like a ship in the hands of an amateur pilot. Surveying the situation, they too left without an argument.

The cormorants played in the boiling froth around the rocks, battling the wind and waves and reveling in the skill of self-preservation. They were kings for a day.

children have gone to their ranch at Yucaipa to spend the week.

Mr. and Mrs. Ray Johnson and daughter, Aelene, were week-end guests of Pomona relatives.

Sunday guests at the J. O. Arkley home were their daughter and husband, Mr. and Mrs. J. L. Abbott and children, Los Angeles.

## SEWER PLANT MOVE TOLD

Engineer Authorized to Recommend Change By Newport Council

NEWPORT-BALBOA.—City Engineer R. L. Patterson was authorized to recommend a new location for the proposed new sewage disposal plant, which authorities had planned near the state highway and Santa Ana river mouth, at a meeting of the city council here last night.

The new location, to be recommended to state health authorities, would be 1000 feet back from the highway, it was announced.

Council members also authorized repair of a boat landing at the end of Newport pier, the work to cost about \$2000. A bid for \$2250 for construction of a harbor master's office was opened and held up by the council for investigation.

Engineer Patterson was authorized to prepare plans for construction of restrooms and other equipment on the newly-acquired city beach frontage at Corona Del Mar, and F. M. Griffith was granted permission to construct a private pier in front of his home on Lido Isle. Applications for installation of recreation games were referred to the police commission for investigation by the council.

## COUNTY POSTER EVENT TOLD

NEWPORT-BALBOA.—An Orange county poster contest for the harbor opening and dedication, May 23 and 24, will be sponsored by the Newport Harbor chamber of commerce, it was announced today.

Invitations are being sent to all students of the county through principals and art supervisors of the schools asking young people to enter the contest. The contest will be divided into two divisions, one for elementary school students and one for the high schools and junior colleges.

The contest will close April 24, and the posters will be judged April 25, at the high school, where they will be on exhibition.

## GUILD MEMBERS MEET JOINTLY

ORANGE.—Two groups of special guests were present at the meeting of the Berntha Epilepsy guild of the Christian church Monday night. The Rev. Mr. Franklin H. Minck, former pastor of the church, Mrs. Minck and members of the guild of the Long Beach church came to the meeting.

The Rev. Mr. M. Escaboso, pastor of the El Modena Methodist Mexican church, and nine of his young people furnished the greater part of the program. The El Modena minister talked on "The People of Mexico."

Following the program the Orange guild served refreshments to 60 guests.

## Church Officials Are Elected

EL MODENA.—Installation of newly-elected church officers was held in the Friends' church on Palm Sunday, the service performed by the Rev. J. S. Sorenson, pastor of the church. New officers include Alvin Stanfield, clerk; Mary Lutz, recording clerk; Lester Beymer, treasurer; Luther Barnett, chairman of trustees; and Oscar Stanfield, finance chairman.

New chairmen of committees introduced to the congregation were Lou Roberts, missionary committee; Ella Hayden, temperance; Daisy Turner, prayer meeting and flower committees; Oscar Stanfield, peace; Cleona Johnson, library; Mary Marshburn, pianist; Bessie Mahoney, assistant pianist; Annie Barnett, reporter.

The local rookery, Bird Rocks, over the week-end. The storm proved too much for even these hardy swimmers. With waves crashing over the smaller rock and nearly over the larger one, Samuel and the whole flock had sense enough to move on. Certainly not to Huntington Beach or Newport. Too many fishermen up that way.

Curious thing about those stormy days was that the cormorants, sleek, long-necked black sea birds, took possession of the rocks, which normally are shared by pelicans, sea gulls and seals. They settled in large numbers on the bigger rock, and there squatted out of reach of the enormous combers. Towards sundown first came the seagulls, screaming and circling over the invading cormorants. But they made no attempt to oust them. Either prior rights hold in the bird kingdom, or else cormorants are the boss breed. When the sea gulls had gone the cumbersome, gawky pelicans soared up from the south, rocking in the wind like a ship in the hands of an amateur pilot. Surveying the situation, they too left without an argument.

The cormorants played in the boiling froth around the rocks, battling the wind and waves and reveling in the skill of self-preservation. They were kings for a day.

## Two-Day Flower Show Set By Orange Club Group

ORANGE.—The fourth annual spring flower show will be presented by the Garden section of the Orange Woman's club, April 16 and 17, in both afternoon and evening, it was announced yesterday by Mrs. Perry Groat, president of the section.

Seven classifications, including roses, sweet peas, annuals and perennials, bulbs, miscellaneous, cacti, succulents and flower arrangements will be seen in the show, she said. Three groups will display flowers for a special prize to be donated by the chamber of commerce. The three are the Woman's club, the high school and the grammar schools.

A non-competitive exhibit of flowers will be shown by several local florists. An afternoon program will be given by the play school education department of the high school, it was announced, and Hawaiian and Spanish music will furnish the evening program.

Committees for the show are, table attendants, Mesdames L. W.

Thompson, L. W. Evans, Earl Campbell, Anna Elmer, George Campbell, C. L. Benson, William Moore, B. F. Richards, E. W. Squires and H. O. Russell; decorations, Mesdames S. V. Todd, K. E. King, Earl Elson, Dora Wallace, Henry Terry, C. E. Lush, V. A. Wood, Sherman Gillogly and Grace Knolla; recording, Mesdames George Seba, L. F. Finley, D. V. Rothenberger, Owen Smith, Estell Winters, Henry Marquart, Raymond McCarthy, L. A. Boritz and Alfred Leech.

Mrs. A. H. Halleck will head the judges. The committee on boutonnières is composed of Mesdames W. F. Kogler, A. H. Heim, George Peterson, jr., Lucien Flippin, Ross Harlan, H. A. Coburn, Frank C. Richmond and C. E. Short; plant sale, Mesdames George Peterson, M. E. White, Louis DeLong, Henry Campbell and R. C. Burkett. A flying squadron will call for plants and flowers. These are Mesdames R. W. Miller, James Ragan, C. E. Short, H. A. Brown, W. H. Lowry and Anna Slater.

BUENA PARK.—Mrs. Claud Wahl was elected president of the Buena Park Woman's club at a meeting held recently, when a report of the nominating committee was unanimously accepted by club members.

Other officers elected were Mrs. Ruth Thurman, first vice-president; Mrs. Irene Couss, second vice-president; Mrs. Fred Greenwald, treasurer; Mrs. Tanquary, recording secretary; Mrs. Eleanor Jones, corresponding secretary; Mrs. Emily Warren, Mrs. George Cole and Mrs. I. D. Jaynes, trustees.

Mrs. Ruth Thurman and Mrs. Pike were elected as delegates to the club convention, which will be held in Orange.

## Shower Honors Erene White

ORANGE.—Miss Erene White, daughter of Mr. and Mrs. M. E. White, East Chapman avenue, was honored Saturday afternoon with a kitchen shower given by Mrs. Horace Hillyard, Santa Ana, and Mrs. Gerald Miller, Huntington Beach. Miss White will be married to Harold Long, Costa Mesa, in July.

Guests were Mesdames R. C. Burkett, V. A. Wood, M. E. White, Loren White, Clifford White, Leon

Des Larzes, N. Allen Dunlap, John A. Campbell, B. J. Fletcher, Lydia Todd, Randall Bivens, Clarence Todd, Miss Maryesther Wood, Miss Margaret Todd, all of Orange; Mrs. Frances McKean and Mrs. Frank McCarter, both of Santa Ana.

HUNTINGTON BEACH.—Plans for construction of a proposed clubhouse or clubhouses in Lake park to house the Boy Scout and Girl Scout organizations, the Huntington Beach Bait and Fly Cast club and the Huntington Beach Pistol club were discussed last night by the city council. Mayor T. B. Talbert was delegated to appoint a committee from the council to meet with the city engineer and representatives from the clubs and the Boy and Girl Scout organizations on Thursday to discuss the plans.

A plan for construction of a building with four clubrooms and one assembly hall in the center was proposed. Also included in the plans was one for construction of a large casting pool for the Casting club and also construction of barbecue pits.

Plans for improvement of Frankfort avenue, Main and Seventeenth streets, as proposed by the city council, have been approved by the state highway department. It was announced at a meeting of the city council last night. The sum of \$2000 is available now and the first work to be done will be on the improvement of Frankfort avenue, it was announced.

A jagged bend in Frankfort avenue will be widened, which will mean removal of two houses at the intersection of Frankfort, Alabama and Acacia avenues. A date has not been set for work to start on this project. However, the first work will be done at the easterly city limits on the bluff.

The city gave a deed to the state highway department last night for widening of coast highway near the old city dump yards where the sewage disposal plant is now located. The old structure will be removed as soon as the new disposal plant is finished.

Paul, Earl Ostrum, Harwill Robinson, Paul Taylor and B. Ridgeley Mills.

Merle Swingle, who is a student of Miss Anna Hills, played the effective background of violin music from the stage. Barbara Read and Peggy Paul played their parts well. Mrs. Marjorie Williamson directed.

The play is scheduled again next Saturday night at the Community Playhouse.

WOMAN'S CLUB BEACH PLAYERS HAS ELECTION GIVE TRAGEDY

LAGUNA BEACH.—Switching suddenly from light comedy to morbid Russian drama and turning stage laughs into emotional walls of hopelessness and despair, the Community Players' latest production, "Angel With Two Faces," by Mears Pitcher, sounded a new note in local stagecraft at its opening last Saturday night.

Throughout the entire three acts the sad strains of a violin played a series of haunting melodies which interpreted the variable moods of fellow Russian prisoners awaiting their doom at dawn. The setting, a rural courtroom used as a temporary prison in Provincial Russia, was used for the entire play.

Outstanding was the work of David Paul, Gloria Jenkins, Gordon Maudsley and Betty Monahan, although no individual stardom was possible in a group play of this type. Others who assisted in making "Angel With Two Faces" a notable effort for its kind were Sally Kay, C. Wess Densmore, Don Williamson, Bill

WHEN MINUTES COUNT

Natural Gas gives instant service

EMERGENCIES — big or little — call for quick action. Mornings when you have to 'rush breakfast' — the middle of the night when a hot water bottle is wanted at once — days when the weather changes suddenly — natural gas meets all these emergencies instantly.

Most of all, you appreciate this speed in cooking — the toll cooking-heat the moment the burner is lighted, the way you can turn it up or down to any precise degree of temperature you need. Your gas water heater heats the water quickly and then automatically heats more as further supply is needed. Gas furnaces and heaters give clean, smokeless heat at the turn of a valve, or automatically.

See the newest of these appliances, at your dealer's or in the gas company's display rooms.

SOUTHERN COUNTIES GAS COMPANY

## CLUB HOUSE PLANNED AT H. B.

Proposed Building Is Considered by Beach City Councilmen

HUNTINGTON BEACH.—Plans for construction of a proposed clubhouse or clubhouses in Lake park to house the Boy Scout and Girl Scout organizations, the Huntington Beach Bait and Fly Cast club and the Huntington Beach Pistol club were discussed last night by the city council. Mayor T. B. Talbert was delegated to appoint a committee from the council to meet with the city engineer and representatives from the clubs and the Boy and Girl Scout organizations on Thursday to discuss the plans.

A plan for construction of a building with four clubrooms and one assembly hall in the center was proposed. Also included in the plans was one for construction of a large casting pool for the Casting club and also construction of barbecue pits.

Plans for improvement of Frankfort avenue, Main and Seventeenth streets, as proposed by the city council, have been approved by the state highway department. It was announced at a meeting of the city council last night. The sum of \$2000 is available now and the first work to be done will be on the improvement of Frankfort avenue, it was announced.

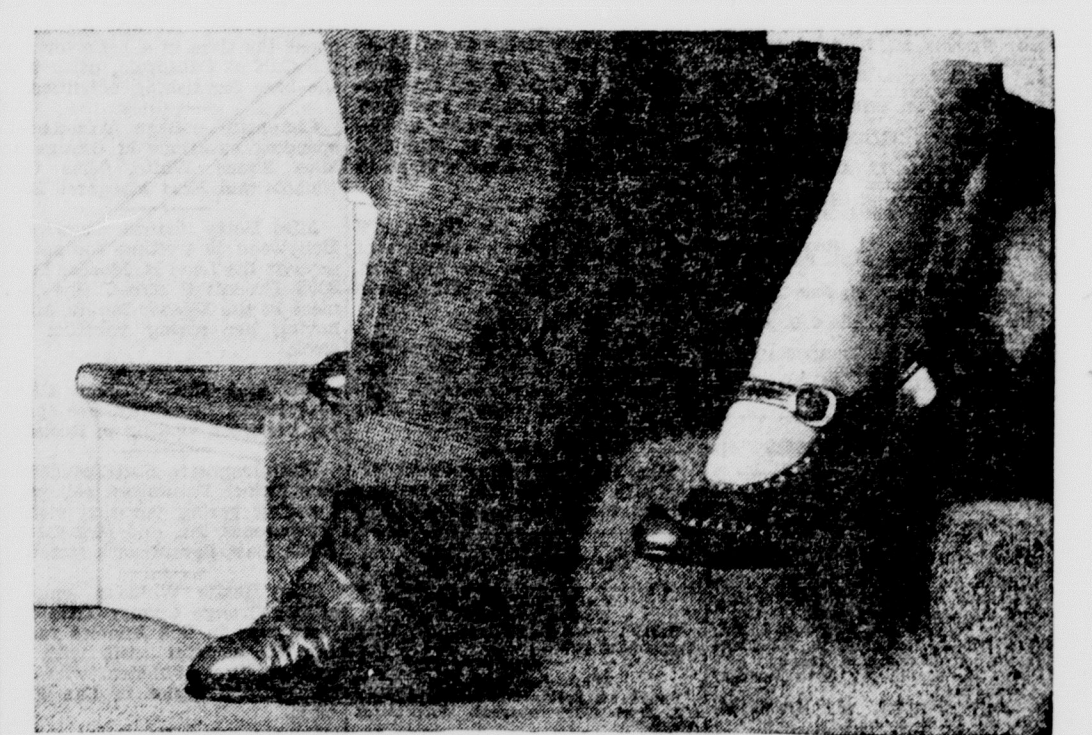

A jagged bend in Frankfort avenue will be widened, which will mean removal of two houses at the intersection of Frankfort, Alabama and Acacia avenues. A date has not been set for work to start on this project. However, the first work will be done at the easterly city limits on the bluff.

The city gave a deed to the state highway department last night for widening of coast highway near the old city dump yards where the sewage disposal plant is now located. The old structure will be removed as soon as the new disposal plant is finished.

Paul, Earl Ostrum, Harwill Robinson, Paul Taylor and B. Ridgeley Mills.

Merle Swingle, who is a student of Miss Anna Hills, played the effective background of violin music from the stage. Barbara Read and Peggy Paul played their parts well. Mrs. Marjorie Williamson directed.

The play is scheduled again next Saturday night at the Community Playhouse.

WHEN MINUTES COUNT

Natural Gas gives instant service

EMERGENCIES — big or little — call for quick action. Mornings when you have to 'rush breakfast' — the middle of the night when a hot water bottle is wanted at once — days when the weather changes suddenly — natural gas meets all these emergencies instantly.

Most of all, you appreciate this speed in cooking — the toll cooking-heat the moment the burner is lighted, the way you can turn it up or down to any precise degree of temperature you need. Your gas water heater heats the water quickly and then automatically heats more as further supply is needed. Gas furnaces and heaters give clean, smokeless heat at the turn of a valve, or automatically.

See the newest of these appliances, at your dealer's or in the gas company's display rooms.

Random Thoughts

Bright Outlook

Lee's Comeback

Random thoughts on a busy Tuesday.

What do you suppose Wrestling Promoter John Contos meant last night when he said: "Some day I'm gonna give you a story that will make you smile..." If you can draw out a smile on Tuesday after that long Monday night grind, hop to it, John.

Just now most of the interest in Orange County Downs, where the greyhounds soon will be running for glory and gold, seems to be among the dog owners. But once the "option system" is put into operation the customers will rally 'round... We go to the dogs Friday night...

Question: When do sports writers live? Wrestling Monday nights, boxing Friday nights, dog races coming up every night except Sunday. And National Nightball games Tuesdays and Fridays, city league games Mondays and Thursdays. Bright outlook: Wednesday night is the only one in the week where TWO things aren't going on.

Bill Foote and his coaching assistant, Pinky Greene, aren't too impressed by the gymnastics of the razzing boys. Although last night's crowd was one of the most demonstrative in recent weeks, Foote and Greene were a couple of sphinxes... We'll tell you how Greene reacts to the excitement of fishing after Wednesday... we're gonna take him on for a little dabbling in the surf.

Surprising to note that Lee Ramage, who is making a "comeback" against Kingfish Livinsky in L. A. tonight is only 25... The uptown sports scribes, especially Sid Ziff and Bill Henry have certainly gone for Pop Foster's Lee's-a-sluggoer-now line, hook, line and sinker. They bent way over backwards to praise Ramage and his chances with the worn-out Kingfish. They may sing a different tune after tonight.

Cheering news comes from Floyd McCracken, editor of the Anaheim Bulletin, who tells us that Jimmie Heffron, ace sports writer on that sheet, is back in circulation. Crutches still have to be used and Jimmie will be under the doctor's care for another year or more... But he should be back to work in a couple of months, Editor Floyd says.

If Orange's chattering Cubs are in National league nightball—and they are—during 1936, the so-called experts apparently haven't notified Manager Liston (Memphy) Hill.

Arlington's All-Stars, who Scribe Wilbur Fogleman of the Riverside Enterprise writes are further along than the other American league outfits, were nicknamed for 12 hits in Orange's 5-4 win at Orange last night. The Cubs displayed a world of spirit, but were slightly off color on defense. Steadiness naturally follows additional practice.

Managers George Lackaye of Santa Ana and Ben Gelker of Olive were over to scout their "baby rival." Orange showed more class than either anticipated. Hal Welty and Nelson Struck, catchers; Roger Larimer and Lloyd Litchfuss, first base; Ted Walker, second, and Manager Hill, third, were in rare form. The outfield appeared weak, mainly because two potential regulars—Bob Mott and Bris Richardson—were absent.

**NORTH-SOUTH PLAY SET**  
PINEHURST, N. C., April 7. (AP) A soggy course faced the field of 76 in the qualifying round of the annual north and south women's golf tournament here today. Estelle Lawson, Chapel Hill, N. C., is the defending champion.

## Skinny Skirvin's Santana No Help, Says 'Scotsman'

By LYING SCOTSMAN, JR.

For the past three weeks, we've had just one storm after another, until it looks like it'll never stop. And of course, it always picks a Sunday as the day to kick up a fuss. The day that most people have a chance to go fishing.

On the days that the live boats have been able to get out there, they've caught bass, halibut, and small barracuda. There's one live bait boat that leaves at five a. m. from the end of Newport Pier. But I don't think it's ever out at that time yet. Soon as things settle down however, it'll be leaving at that time regularly. For info phone Newport 518 concerning the live bait boats. Other boats leave at 7 and 8.

Porter Edmonds caught a six pound spottin croaker off the pier on a shinyer sucker Sunday. He claims ya can catch yellowfin on a shinyer sucker to beat the band when it's blowing a 60-mile gale. This proves it.

Bay fishermen are still having tough luck in their pursuit of spottin croaker, halibut, sharks, etc. The fish are just naturally

## ORANGE CUBS DISPOSE OF ARLINGTON

Memphy Hill Collects Four Bingles in 5-4 Nightball Victory

Orange has no intention of being the weakest "weak sister" in National league nightball in this, its first season.

Whaling a triple and three singles for a perfect effort with the willow, and handling seven chances without error around the "hot corner," Liston (Memphy) Hill, field manager, led the Orange Cubs to a 5-4 triumph over Arlington of the American loop at Orange last night.

The Orange nightball commission, headed by Harry Nuffer, has officially nick-named the baby member of the six-team wheel the "Cubs," and has voted to purchase uniforms of orange shirts and navy blue pants.

Roger Larimer and Lloyd Litchfuss yielded only five hits during the nine-inning struggle, and would have recorded a shut-out with perfect fielding. Arlington failed to make a single earned run. Three Orange misuses, along with a single, produced the club's three counters in the fifth.

Hill led off with a triple and scored on Larry Litchfuss's grounder for the Cubs in the first. Singles by Ted Walker, Harold Welty and Hal Eaton netted two more runs in the fourth. Orange won in the eighth on L. Deichtfuss's single, Walker's double, Nelson Struck's infield single. Struck drove in Walker with the winning run.

Wilson Seacord, ex-Tustin athlete, was picked for only three hits during the three innings he pitched for Arlington. Orange plays at Riverside Friday night.

Box score:					
Arlington			Orange

## GENE HITT'S CLUB BATTLES OILERS

Hunting Beach's Southern California champion Oilers entertain Gene Hitt's First National bank nine of the Santa Ana City league in an exhibition in the Oilers park at 8 o'clock tonight. Coach Hitt's outfit plays the Commercial National bank at the Municipal bowl Thursday night.

## F.J.C. SWIMMERS WIN UP NORTH

George Jeffries of Fullerton Junior college set a new Pacific Coast A. A. U. freshman record in the 100-yard freestyle while Coach Jimmie Smith's Yellowjackets shaded the Stanford freshmen, 43 to 40, in a swimming meet at Palo Alto yesterday.

Jeffries' time was 1 min. 7.9 secs., replacing the old standard of 1:09.4 held by Don Towne of Stanford.

Phil Needham of the university cracked the Pacific coast freshman record in the 220-yard freestyle in 2 min. 21.2 secs. The old mark of 2 min. 24.4 secs. was established eight years ago by Austin Clapp, Stanford. Needham also shattered the 5:25 record in the 440-yard free-style in 5 min. 14.5 secs.

**Jeffcoat Impresses**  
RICHMOND, Va.—Casey Stengel of the Dodgers says George Jeffcoat "sure has a big league curve ball. His father must have sent him to bed with a job in his arm when he was a boy," the manager remarked. Jeffcoat did pretty well with his curve until he was assigned to Allentown.

## STARS COMBAT SAN BERDOO TONIGHT

### COATES WILL FACE BOTTS AT BOWL

Olive, Anaheim Arrange Workout for Friday Night at Anaheim

Jimmy Coates of the Stars and Venn Botts of the Stubbs have been nominated to pitch for Santa Ana and San Bernardino in their National-American league nightball argument inside the Municipal bowl at 8 o'clock tonight.

Commissioner Horace Snow announced today no admission will be charged until the practice game with Riverside here a week from tonight. The Stars trek to Arlington Friday to play the team that Orange outclassed, 5 to 4, at Orange last night.

Neither Coates nor Botts, former Colton satellite, will go the full distance. Lyle Morse, graduate from Olive of the Orange County Class B league, and George Stevens, veteran, probably will share the burden with Coates in the order named. San Bernardino's second choice has not been announced.

Tommy Lacy, whose injured ankles have strengthened sufficiently to allow him to chase fly balls, will play left field in the absence of Tom Denney, Los Angeles Roosevelt High baseball coach.

Manager George Lackaye announced the following tentative batting order for the Stars: Ray (Doc) Smith, rf; Frank Conrad, ss; Clarence (Nan) Coots, 1b; Alvin Reboin, cf; George Preble, 2b; Ben (Bomo) Koral, c; Tom Young, 3b; Coates, p; and Lacy, lf.

Olive will hold a joint drill at Anaheim Friday night. Santa Ana's Elks play at Westminster tonight.

### SEACORD BROTHERS DRILL WITH OLIVE

The Seacord brothers—Wilson and Emmett—will be affiliated with Olive of the National Night Ball league when the Grenadiers clash with Irvine's County leaguers in the Orange park at 8 o'clock tonight.

Wilson is working out with Arlington, the team he pitched for in that club's 5-4 loss to Orange last night. Emmett, third baseman, has a contract from Pomona, which he has not signed. There is a possibility Olive may do some "trading" for both.

## Ramage Faces the Kingfish Tonight In Comeback Try

LOS ANGELES, April 7. (AP)—Lee Ramage, young Santa Ana heavyweight, essays a comeback to ring prominence he knew a year or so ago in a 10-round bout tonight against King Livinsky of Chicago.

Both fighters have one thing in common—they have been knocked out by Joe Louis.

Ramage quit boxing after Louis stopped him in two rounds in February, 1935, but three months ago Pop Foster, veteran manager-trainer of Jimmy McLarnin, persuaded him to make a new start. Foster believes Ramage, now just 25 years old, will develop into a slugger, and has attempted to convert him from a dancing, boxer type.

The bout, regarded as a "natural," seems certain to draw a full house at the Waterman's Olympic auditorium. Livinsky gained favor here several weeks ago by outpointing Lanky Hank Hankinson, Akron, Ohio, puncher, a local favorite at the time.

### Wrestling Last Night

By the Associated Press  
MONTREAL—Ed Don George, 218, N.Y., defeated Nick Lutze, 205, Venice, Calif., two falls out of three.

ATLANTIC CITY, N. J.—The Blue Masked Marvel defeated Joe Dusek, Omaha, one fall.

WILMINGTON, Del.—Danno O'Mahoney, 220, Ireland, defeated Emil Dusek, 215, Omaha, straight falls.

DES MOINES, Ia.—John Evko, 220, St. Louis, defeated Cardiff Giant, 365, Des Moines, two out of three falls.

G. NICHOLS BACK  
BUFFALO, N. Y., April 7. (AP) George Nichols, the 100-to-1 shot who won the National Boxing association's light-heavyweight title, in 1932 only to have it taken away before he could throw a punch, is back knocking at the door of stardom. Nichols will face John Henry Lewis, world's light-heavyweight titleholder, in a 10-round non-title bout here tonight.

## Santa Ana Journal SPORTS

## Old Jelly Belly's Rumble Seat Hop Sends Sledge to Hospital

### BOBBY JONES FALTERS AT AUGUSTA

Horton Smith's Swift Finish Takes First Honors and \$1500

By KENNETH GREGORY Associated Press Sports Writer

AUGUSTA, Ga., April 7.—The sensational finish of Horton Smith in coming from far back to overtake the all-star field in the third Augusta National invitation golf tournament gave the lanky Missouri professional a good boost today along the money-winning trail of 1936.

By triumphing in the 72-hole medal race, the blond 28-year-old sharpshooter added \$1500 to previous earnings.

Playing in a windy cloudburst that caught most of the professionals on the last 13 holes and so flooded the course that some protested conditions, Smith, winner of the inaugural tournament in 1934, caught up with "Light Horse Harry" Cooper, Chicago, the pace-setter for three rounds, and overhauled him in a stretch drive.

Smith had 74, 71, 68, 72—285 while Cooper took the \$800 second money with 70, 69, 71, 76—286.

Sarazen Third  
Gene Sarazen wound up going strong to take third place and \$800 with 287.

Bobby Jones failed in his third "comeback" attempt, finishing with an aggregate of 306, his worst scoring in open competition since his 311 in the National open at Oakmont nine years ago. He tied for thirty-third.

Paul Runyan, White Plains, N. Y., finished in a tie with Bobby Cruikshank of Richmond, Va., for fourth place with 290. They received \$450 each.

Three others—Ed Dudley, the Augusta pro, Ky Laffoon of Chicago and Ray Mangrum of Pittsburgh—tied for the next three places with totals of 293 and received \$250 each.

The three top-money winners were the only players to break par of 288 over the 72-hole grind.

Scotty Campbell, Seattle, was low amateur with 302.

W. Lawson Little, Jr., San Francisco, a professional "rookie" and world's champion for the last two years, duplicated Jones' finishing rounds of 73-77 for an even 300.

Electricians are busily installing lights for the opening of the Orange county Downs greyhound-racing track between Santa Ana and Anaheim Friday night.

Among the new arrivals at the track are the Peoples brothers from Oakland with a promising string of 11 greyhounds. Sounds Familiar and Saddle Fender are touted as the best of the newcomers from the north. L. B. Coffee's Compton pride, "Art Patrick," has won two starts out of the three-sixteenths box. Brilliant Bob, another Coffee entry, is looking good in the future. Another reputedly fast hound is "My Sylvia" of Los Angeles.

## Apostoli Batters Young Stuhley

SAN FRANCISCO, April 7. (AP) Fred Apostoli, San Francisco's battling bellhop, appeared in line for a bout with Middleweight Champion Eddie (Babe) Risko today after his one-sided 10-round decision over Young Stuhley of Chicago. The San Francisco boy had Stuhley on the defensive and badly battered during most of the affair here last night.

### Exhibition Games

By the Associated Press  
CHICAGO (AP)—Professionals (N.Y.), 2 Cincinnati (N.Y.), 0; Detroit (A.), 0 (7 innings—darkness).  
ST. LOUIS (N.Y.), 9; San Antonio (T.L.), 2 Philadelphia (N.Y.), 7; Macon (SAL.), 6.

A hearty handshake of welcome was given Lawson Little, two-time British and American amateur golf champion, by Gene Sarazen, famous professional (left), when Little announced he was turning "pro" while awaiting the start of the masters' golf tournament at Augusta, Ga. Bobby Cruikshank looked on. Sarazen finished third in the tourney while Little scored a total of 300, 11 better than Bobby Jones, one-time golfing kingpin.

## Beatem And Riskitt Enter Stretch Drive in Contest

By OSCAR OATS

Today I am just getting settled down to a little desk work when in comes Mr. Wynott Riskitt.

"I am getting probably too used to seeing you around here, I tell him. Where is your erstwhile pal, Mr. Tryan Beatem?"

"Oh, that Beatem," he sneers. "He is not anywhere at all, as far as I can see. As a matter of fact I think he rents himself a stall at Tanforan and takes workouts every day with all the crocodiles. That is half because he is mortified and half because he has no gold with which to purchase a hotel room. He loses heavy."

"That," I say, "is nice. Now if you would lose all your money and go somewhere?"

"That would be too much," Mr. Riskitt tells me, "and of course you are only cracking wide. I pick them nags on form, and so I win money. Right now I am over 30 fish ahead of the season. That Beatem is a huncher."

"Today he writes me a letter."

"Wynott, old pal, he says. 'In case you see that Mr. Oscar Oats I wish you would give him these pickings for me. And you couldn't lend me four bits, could you? So it is plain to see he has very little gold left for this last week.'

"But this is how he picks them. He calls them his 'long shots.' Seth's Mortgage, Sir Wag, Running Heel, Ancient Rome, Jobioso, Lloyd Pan, Son of Day, Prince Pharaoh. And a sorrier looking bunch of goats I never do see."

"I pick all form horses, like this: Sweet Mystery, Bright Pam, Polydorus, Loader, Gateway, Tortation, Transbird, Borsodi. So how can I lose?"

"Today the fellows are quite confident and bet \$10 to win, \$10 to place and \$5 to show again. There is one week to go in the Tanforan season, and Mr. Beatem has to hurry fast to catch up. He loses near \$700 since the season opens, while Mr. Riskitt stays out in front."

## San Diego Making Good—Klepper

LOS ANGELES, April 7. (AP)—Bill Klepper, owner of the Seattle ball club, predicted today a prosperous future for the San Diego Padres franchise.

"Our series in San Diego was the best financially that we have enjoyed in the past two years, with the exception of one week in Portland, last season," Klepper remarked.

"San Diego has a fair ball club, and it will get better."

### FIGHTS LAST NIGHT

By the Associated Press  
CHICAGO—Pat Murphy, 147½, Danville, Ill., outpointed Bob La Monte, 149, Chicago (8).  
SAN FRANCISCO—Fred Apostoli, 160, San Francisco, outpointed Young Stuhley, 160, Chicago (10).

SALT LAKE CITY—Jackie Burke, 147, Ogden, Utah, outpointed Tiger Al Lewis, 144, Chicago (10).  
HOLYOKE, Mass.—George Salvadore, 146½, Oak Bluffs, Mass., and Sonny Jones, 142½, Canada, drew (10).

**Giants Rest**  
ELIZABETHTON, Tenn.—The New York Giants spent yesterday sightseeing in the Alabama storm area. It was the first time this training season that the Giants had not fulfilled an exhibition date. Al Smith probably will start against the Indians today—that is, if the storm lets up.

## FOOTEMEN TO START WORK MONDAY

Santa Barbara Is Off Next Season's Sked; L. A. Game Looms

New football playmates—Cathedral High of Los Angeles and Woodrow Wilson of Long Beach—are pleasant possibilities for Santa Ana's 1936 Saints, who report to W. W. (Bill) Foote, their coach, for the second lap of spring training at Poly field Monday.

Along with the announcement he is "carefully considering" invitations for games with these schools, Mr. Foote said today he has moved his annual "this year—next year" game from the first to the latter part of May—probably the 29th—and that his prospects would start "hearing down" in drill next week.

Orange, Pomona and Pasadena—eleven the Saints bested in hard-fought games last fall—already have secured places on Santa Ana's new schedule. Inglewood may be next. Santa Barbara is definitely out.

"Could Be Worse"  
Graduation will tear the very heart out of the Saint machine that won six out of nine engagements in '35, but the ever-optimistic coach of the Walnut street preps is not moping. "Things could be a lot worse," he says.

"We have a stronger nucleus than we realized at first," Coach Foote said in listing his boys who will return. "There will be Bill Musick, Len Stafford, Harold Tucker, Muelo Nitta and Capt. Dwight Nott, among some lesser lights, in the backfield. Bernard Robinson and Ralph Pagenkopp, halfbacks, are showing promise in spring practice."

Sammy Lockhart, six-two basketball regular who scales 175 pounds, will vie for one of the important wing positions vacated by Capt. Ervin Yow and Harold Short. Milton Smith, another tall cager, is adept at catching passes, and may develop into a dependable end. Bobby Cone is another fair prospect.

Giant Bill Milligan, 230-pounder, will be groomed for a tackle position along with Vernon Carney and Mark Stewart, hold-overs.

**Wall and Moyer**  
The guard posts perhaps will be the easiest to fill, with Ferris Wall and Lyle Moyer returning. Both are chunky pluggers who saw a great deal of action last fall. Coach Foote is impressed by Bob Maddux, 165-pounder who is displaying fire at right guard. Creighton Hunter, with a year of experience behind him, may improve.

Don Warhurst, fairly rangy, but needing more fire, appears to have the "inside lane" at center.

## Missions, Suds Have Chance to Cop Coast Lead

By the Associated Press  
This week's baseball schedule is a wide-open invitation to the San Francisco Missions and Seattle Indians to elbow the Oakland A's out of their Pacific Coast League leadership.

Both the Missions and Indians, among the pre-season favorites, were given apparently easy assignments while the pace-setters took the field against Portland's hard-hitting Beavers.

Willie Kamm's Reds entertain the once fearsome Los Angeles club that barely salvaged a single game from its series with Oakland.

The third place Seattle club appeared to be in an even better spot, picking on the youngsters who make up the St. Louis Cardinals' Western outpost at Sacramento.

The standings:			
	W.	L.	Pct.
Oakland	7	2	.778
Missions	6	3	.667
Seattle	6	4	.600
San Francisco	4	3	.571
Portland	3	5	.444
Los Angeles	3	6	.333
San Diego	2	7	.300
Sacramento	2	5	.290

No games yesterday; teams traveling. Games today at Sacramento. Portland at Oakland. San Francisco at San Diego. Los Angeles vs. Missions at San Francisco (night).

awarded the bout to Hamanaka. The other two bouts were not so fantastic. George Kondelis, Greek title aspirant, stopped Irish Jerry Monahan in 15 mins. 20 secs. with a body press after a lot of intervention by Referee Montana, who it seems is always aching to take a sock at somebody, preferably a wrestler.

In the opener Gentleman Joe Varga lost to John Freebrow, one-time "masked marvel" in 9 mins. 54 secs. with a flying mare.

## BATTLE OVER RELIEF ON HORIZON

New Dealers, Enemies Square Off to Start Cash Controversy

WASHINGTON, April 7. (AP)—New Dealers and their critics squared away today for the opening of the long-awaited struggle over relief.

As the house appropriations committee prepared to start consideration some time this week of President Roosevelt's request for \$1,500,000,000 for relief for next year, the Republican congressional committee hammered at the handling of the present \$4,000,000,000 fund.

### Charges Probe Blocked

The money, the committee said, is being used by the "Roosevelt-Farley Tammany political machine" to "help buy the election."

On the senate side, Senator Steiwer (R., Ore.) charged that Democrats were blocking an investigation of "waste" and "political machinations" in relief.

He and other Republicans contend that neither of two inquiries to which senate Democrats have agreed were "real" investigations into charges of "misuse" of funds.

Democratic senate leaders have set up a campaign expenditures committee with authority, among other things, to inquire into any use of relief money for political purposes.

### Promise Relief Inquiry

They also have agreed to a move by Senator Steiwer to have the appropriations committee make a relief inquiry before acting on the new \$1,500,000,000 appropriation.

In view of these facts, Democrats said, there was no need for the \$100,000,000 investigation into WPA and FERA sought by Senator Davis (R., Pa.).

Steiwer said today, however, that the kind of inquiry which the Democrats had agreed should be made by the appropriations committee was entirely different from an investigation of charges of waste and extravagance. He said it would be more of a hearing on the question of policy and the need for further funds.

"I don't believe the majority daren't to give us an investigation of relief," Steiwer said.

The Republican congressional campaign committee, in its statement, said that on Dec. 21 there were 52,344 WPA administration employees, drawing "a salary of probably \$100,000,000" and 3,000,000 relief workers.

When the signals were installed, it was expected that traffic on Seventeenth street would be comparatively light and that the signals would be open on Main street most of the time. This would have made it necessary to have a treading arrangement whereby cars approaching the intersection on Seventeenth street would cross the treads and change the signals.

However, since traffic there has been heavier than anticipated, this arrangement was not necessary and the usual operation of the signals was carried out, Mr. Layton said. The signal wiring has been so arranged that the treading system can be installed if it proves necessary.

## 17th St. Treadle Signal Dropped

Because of unexpectedly heavy traffic on Seventeenth street at Main street, vehicle-operated treads will not be necessary in connection with new traffic signals recently installed there. This was announced today by Street Commissioner Ernest Layton.

When the signals were installed, it was expected that traffic on Seventeenth street would be comparatively light and that the signals would be open on Main street most of the time. This would have made it necessary to have a treading arrangement whereby cars approaching the intersection on Seventeenth street would cross the treads and change the signals.

However, since traffic there has been heavier than anticipated, this arrangement was not necessary and the usual operation of the signals was carried out, Mr. Layton said. The signal wiring has been so arranged that the treading system can be installed if it proves necessary.

# COUNTY COMMITTEE ON NEW FARM ACT TO BE FORMED THURSDAY

## ASSOCIATED'S COMMITTEES SELECTED

Other Action Is Taken At County Chambers Board Session

The new board of directors of associated chambers of commerce of Orange county met at the Green Cat cafe last night and heard Dr. C. G. Huston, new president, select chairmen and sub-chairmen for committees. Possibility of a county float being entered in a proposed parade at the coming Pomona fair was seen when the publicity committee was instructed to make a study of this suggestion. The same committee also was asked to investigate feasibility of an Orange county day at the San Diego fair.

Dr. Huston was instructed to name a special committee of five to assist Boy Scout leaders in preparing for the camporal to be held at Irvine park next month. William Spurgeon, Santa Ana, will head the committee.

**Gallienne on Board**  
In order to permit a more representative membership on the board Harry May, secretary of the Fullerton chamber of commerce, resigned as a director. His place was filled by William Gallienne, secretary of the Huntington Beach chamber. Mr. May will continue to fill the post of secretary of the association.

The next general meeting of the organization will take place at the Costa Mesa Woman's clubhouse April 28, the board decided. Harry Welch, secretary of the Newport harbor chamber of commerce, announced that a tour of the harbor will be provided for those who report at the Lido Isle clubhouse at 4 p. m. on that day. Parking space will be provided for those making the trip, Mr. Welch said.

**Committees Filled**  
The following eight committees were partly filled by appointments made last night:  
Agriculture—Jack Crill, Garden Grove, chairman; and Ralph McFadden, Placentia.  
By-laws—Harry May, Fullerton, chairman; Howard Woods, Santa Ana.

## ++ County Landmarks ++ Old Don Bernardo Yorba Adobe Ranch Home Showplace in Early Days

(In an effort to acquaint residents of Orange county with some of their most-prized historic possessions, The Journal is publishing a series of daily articles on county landmarks. These articles will describe their location and give historical facts concerning them. Today's article tells about the old Don Bernardo Yorba adobe house.—Editor.)

Probably the most extensive Spanish ranch home that ever existed in this part of the state was the magnificent adobe house on Rancho Santiago de Santa Ana, known as the Don Bernardo Yorba home. The old house itself, which was located on the north side of the Santa Ana river above Olive, has been torn down.

Ruins of a few of the surrounding adobe structures remain.

The Yorba home and rancho made up a typical community of the old Spanish days in California. Artisans of many kinds were employed there and virtually everything needed to carry on the life of those days was made at the Yorba establishment. The old Spanish hospitality prevailed.

When Don Pio Pico, last Mexican governor of California, fled from Los Angeles, he was given refuge somewhere in Orange county for several days. It was perhaps at the Yorba adobe that he found seclusion in 1846.

About 1923, it is related in the Pleasant's history of Orange county, the Yorba family offered "to restore the old building and

its gardens of old-fashioned flowers and shrubs. Mr. Samuel Kramer, who owns the land where it stood, offered five acres of land for the grounds. All was to be a free gift to the county, and the only stipulation was that a permanent caretaker should be put in charge." The offer was not accepted.

"Had it been accepted," the history goes on, "the county of Orange would have been enriched by a generous gift of an historic monument far surpassing the famous 'Casa Adobe' of Los Angeles, which attracts so much attention from tourists. It would on restoration have made one of the showplaces of the county..."

## NEW TRAFFIC LAW PASSED

A new traffic ordinance for Santa Ana was adopted last night by the city council. The new law was framed to conform to new legislation passed by the state.

Passage of the ordinance has been deferred pending approval by the state highway commission. City Attorney L. W. Blodgett reported that the latter body would not approve the ordinance itself but would approve resolutions designating streets for boulevard stops and similar matters affecting state highways through the city.

**CIRCLE TO MEET**  
With Leola Hart and Ethelann Williams as hostesses, the World Friendship circle of the United Brethren church will meet tomorrow evening at 7:30 o'clock at the church.

## 2 LINDBERGH PROBES ARE REJECTED

Officials Push Wendel Inquiry; Legislature Refuses to Act

TRENTON, N. J., April 7. (AP)—Officials pushed two investigations of phases of the Lindbergh kidnapping case today but attempts to win legislative authority for two related probes were listed as closed chapters.

The New Jersey assembly, by decisive votes, turned down two proposals to investigate the conduct of officials associated with the case.

**Hoffman Continues**  
Gov. Harold G. Hoffman, however, continued his own investigation in an attempt to "completely solve" the crime.

In Brooklyn, N. Y., District Attorney William F. X. Geoghan renewed today attempts to verify the story of Paul H. Wendel who says he was tortured there to compel him to "confess" he kidnapped the Lindbergh baby and was in possession of it when it died. He subsequently retracted the confession.

Wendel is held in jail on a murder charge.

The legislative resolutions for investigation came last night from both sides of the divided Republican majority in the lower house.

**Two Proposals**  
One, by the governor's opponents, would have created a citizens' committee headed by President Harold W. Dods of Princeton university, and directed at the governor's activities only. The other, a directed a legislative committee to investigate the acts of all officials concerned in the case, including the governor's, and would have authorized investigation of the Lindbergh kidnapping-murder case from its inception.

From Assemblyman Philip P. Gebhardt, Democrat from Hunterdon county where Hauptmann was convicted, came the plea that it would be "far better if possible to forget the whole matter."

## HALF-MINUTE NEWS STORIES

(By The Associated Press)

**UNEMPLOYED DIG UP STREET IN SPAIN**  
AVILA, Spain. — Dissatisfied over a lack of jobs, 350 unemployed men seized shovels and pickaxes and began to dig up the main streets of this city yesterday.

**CHARGE NATIONAL FUNDS USED IN PRIMARIES**  
WASHINGTON. — Republican national committee officials said today they were inquiring into charges by Wisconsin supporters of Senator Borah (R. Ind.) that funds collected by the national committee were being used in the presidential primary campaign in that state.

**TOWNSMENITES ORGANIZE IN FAIRBANKS, ALASKA**  
FAIRBANKS, Alaska. — The farthest north Townsend pension club has been organized here. It lists 126 charter members.

**12 LEAP INTO BAY AS S. F. BRIDGE IGNITES**  
SAN FRANCISCO. — A sizzling rivet, igniting creosote-soaked piling, caused a spectacular fire on the San Francisco-Oakland bay bridge yesterday, forcing 12 workers to leap into the bay to save their lives. The blaze, which sent aloft towering pillars of dense smoke, caused \$10,000 damage.

**\$200,000 ALIENATION SUIT SETTLED OUT OF COURT**  
CHICAGO. — The \$200,000 alienation of affections suit of Mrs. Helen Bedford-Jones, former wife of H. Bedford-Jones, fiction writer, against Mrs. Mary Bernard Bedford-Jones, his present wife, was dismissed by Federal Judge Philip L. Sullivan, yesterday, who said the case had been settled out of court. Attorneys for both sides declined to disclose the amount of settlement.

**GOLD POSSESSION LAW UPHOLD BY COURT**  
NEW YORK. — The United States circuit court of appeals yesterday upheld unanimously emergency legislation affecting the possession and disposition of gold as to foreign owners. The decision denied that the gold acts constituted "ex post facto legislation."

**'WITH YOU TO END' POPE TELLS GERMANS**  
VATICAN CITY. — Pope Pius gave audience to 90 German pilgrims yesterday, assuring them: "I am with you to the end."

**GUFFEY COAL ACT RULING DELAYED AGAIN**  
WASHINGTON. — The supreme court deferred again yesterday for at least one week a final decision on constitutionality of the Guffey coal act.

**SEVEN MILLION LOANED HERE**  
Loans by the Home Owners Loan corporation, Federal Land bank and land bank commissioner in Orange county total \$7,556,679. For 1207 loans, figures released by the National Emergency council at Los Angeles revealed today. Loans to home owners amounted to \$2,694,379.

Orange county farmers have received 402 long-term amortized loans secured by first mortgages, from the Federal Land bank, totaling \$3,221,200. A total of 524 land bank commissioner loans have amounted to \$1,841,100. The period in which these loans have been made is from May 1, 1933, to Dec. 31, 1935.

**SMITH BROOKHART WILL RUN AGAIN**  
DES MOINES, April 7. (AP)—Former Senator Smith W. Brookhart of Washington, Iowa, has announced his candidacy for the Republican nomination for United States senator in the June primaries.

**Neutral Crops**  
Crops that are considered neutral and will not come under the act are vineyards, tree fruits, small fruits or nut trees (not interplanted); idle crop land; cultivated fallow land, including clean cultivated orchards and vineyards; waste land, roads, lanes, lots, yards, etc.; woodland other than that planted at owner's expense since 1933.

It is thus seen that on present interpretation orchard properties will not be considered at the present time in the soil conserving program. However, Mr. Wahlberg said new rulings may be made following the consideration of recommendations from the California farmers.

**RUDYARD KIPLING'S ESTATE IS \$775,000**  
LONDON, April 7. (AP)—The late Rudyard Kipling was shown today by the probate of his will to have left an estate of \$155,228 (\$775,000) gross value. The house and land at Burwash and the income from his residual estate was left to his widow.

**That overcharged cannon explains why I'm here.**  
A practical joke nearly wrecked my career.  
At last I arrived here at Mars," says Miss Alice.  
"And you saved my life at that fat mayor's palace."

## MEASURE IS DEFINED BY WAHLBERG

Crops Listed Under Four Divisions of Plan Are Announced

Farm Advisor Harold Wahlberg today announced plans for forming a county agricultural conservation committee to be in charge of educational work in connection with the new soil conservation act. Mr. Wahlberg recently returned from a state conference at Berkeley, where plans for application of the act in California were outlined.

The first meeting for forming the new committee will be held Thursday at Mr. Wahlberg's office. Plans will be made for a schedule of community meetings to present details of the new law.

Mr. Wahlberg explained today the new act embodies recommendations of a national farm conference held recently at Washington, D. C. The act recognizes that rapid depletion of soil is a menace to national welfare, said Mr. Wahlberg. If permitted to continue unchecked, this deterioration will lead to increased cost of production, increased costs to consumers and decreased returns to producers, he explained.

**Allowance Explained**  
In its present form the law will be administered by the secretary of agriculture, through regional, state, county and community committees. By Jan. 1, 1938, it is contemplated that the program will be taken over by individual states. If a farmer desires to participate in the program and qualifies for conserving payments, he will be allowed up to one dollar per acre for each acre of soil conservation or soil building crops, and \$10 per acre on an average productive soil for changing from soil depleting crops to soil conserving crops, with an average limit of 15 per cent of last year's soil depleting crops, said Mr. Wahlberg.

The tentative list of soil depleting crops, as classified in the new conservation act, includes corn, cotton, tobacco, Irish and sweet potatoes, rice, sugar beets, hemp, commercial truck and canning crops, melons and strawberries, grain sorghums and sweet sorghums, small grains when harvested for grain or hay (wheat, oats, barley, rye, buckwheat, flax, emmer, speltis and grain mixtures), summer legumes when harvested for grain or hay (soybeans, field beans, cowpeas and field peas).

**Conserving Crops**  
The soil conserving crops, as outlined at the Berkeley conference, are annual legumes (including vetch, winter peas, burr and crimson clover); biennial legumes (including sweet, red, alsike and Mammoth clovers); perennial legumes (including alfalfa, sericea and white clover); and annual Lespedeza, with or without such crops as rye, oats, wheat, barley or grain mixtures, when such crops are pastured or clipped green; perennial grasses, including bluegrass, Dallis, timothy, reedtop, orchard, Bermuda, brome, crested and slender wheat grass, or grass mixtures, with or without such nurse crops as rye, oats, wheat, barley or grain mixtures, when such nurse crops are pastured or clipped green; winter cover crops, including rye, barley, oats and small grain mixtures, winter pastured or not, and turned under as green manure; crop acreage planted to forest trees since Jan. 1, 1934.

The soil building crops are annual winter legumes, including vetch, winter peas, burr and crimson clover, when turned under as a green manure crop; biennial legumes, including sweet, red, alsike and mammoth clovers; perennial legumes, including alfalfa, sericea and white clover, and annual varieties of Lespedeza; summer legumes, including soybeans, field peas and cowpeas, when turned under as a green manure crop; forest trees when planted on crop land.

**Neutral Crops**  
Crops that are considered neutral and will not come under the act are vineyards, tree fruits, small fruits or nut trees (not interplanted); idle crop land; cultivated fallow land, including clean cultivated orchards and vineyards; waste land, roads, lanes, lots, yards, etc.; woodland other than that planted at owner's expense since 1933.

It is thus seen that on present interpretation orchard properties will not be considered at the present time in the soil conserving program. However, Mr. Wahlberg said new rulings may be made following the consideration of recommendations from the California farmers.

**RUDYARD KIPLING'S ESTATE IS \$775,000**  
LONDON, April 7. (AP)—The late Rudyard Kipling was shown today by the probate of his will to have left an estate of \$155,228 (\$775,000) gross value. The house and land at Burwash and the income from his residual estate was left to his widow.

## ON THE POLITICAL FRONT

CHARLES MICHELSON  
(By The Associated Press)

Charles Michelson, a slightly stooped man whose typewriter all but smokes when he writes of Republicans, has a bigger part in the political show than his title might indicate.

Many a campaign speech rolled off sonorously by a high ranking party leader may be written by Michelson, the Democratic press agent.

In addition, it will be up to him to keep the "handouts" articles that in effect will "point with pride" to the administration's record and "view with dismay" the opposition's ideas—pouring out in an ever-widening stream.

For to this veteran writer, credited with playing an important part in Herbert Hoover's defeat, is entrusted a heavy share of the

## URGE OPENING OF FLOWER STREET

Planning Commission in Favor of Making Road Through to Newport

Opening of Flower street through to Newport boulevard at Paularino loomed as a possibility today. The city council last night authorized Mayor Fred C. Rowland to appoint a committee to study the proposal, which has been suggested by the planning commission.

Opening of the street would create a direct route to Newport Beach, through Santa Ana, from Santa Ana boulevard to Newport road.

A letter from the Costa Mesa chamber of commerce, announcing that a resolution had been adopted favoring the plan and that the Costa Mesa chamber would be ready to assist was read. City Clerk Ed Vegely was authorized to express the council's appreciation for the offer.

Councilman Plummer Bruns explained that Santa Ana and Costa Mesa have enjoyed very fine trade relations and that the proposed new road would facilitate travel between the communities.

**LOWELL BOARD MEET**  
Meeting of the Lowell Parent-Teacher association executive board is scheduled for tomorrow evening at 7:30 o'clock in the home of Mrs. Richard Luera, 904 South Parton street.

# Charles E. Smiths Entertain Crowd of Friends in Lovely Red Hill Home

## 25 Years of Marriage Feted

Programs Given in Both Afternoon, Evening; Flowers Deck Rooms

Friends of Mr. and Mrs. Charles E. Smith literally thronged their lovely new Spanish home on Red Hill avenue, Tustin, yesterday afternoon and evening when the Smiths held open house in celebration of their silver wedding anniversary.

Both Mr. and Mrs. Smith's families were long-time residents of Tustin. She was formerly Miss Vera O'Brien and made her home with an uncle, the late Will O'Brien. Mr. Smith is the son of the late Mr. and Mrs. H. W. Smith. The marriage took place 25 years ago yesterday in the Tustin Presbyterian manse.

Two Groups Visit  
From 2:30 to 5 o'clock in the afternoon Mrs. Bert Hibbett assisted the hosts with the guest-book and in the evening Mrs. Ray Baxter obtained signatures of arriving guests.

In the afternoon Mrs. A. A. Smith of Pasadena and Mrs. J. W. Sauers of Tustin presided over the tea table, and in the evening hours Mrs. S. F. Shiffer of Azusa and Mrs. C. A. Day of Tustin served. Lace linen covered the mahogany table which was festive with ivory tapers in silver bases, and a white Franciscan bowl of blossoms in French bouquet arrangement.

Programs Pleasant  
The home was beautifully decorated with flowers sent by Mrs. A. A. Smith, Mrs. C. A. Day, Mrs. Ray Baxter and others. The hostess table which was topped off by a generous cluster of gardenias, gift of her husband. Her aunt, Mrs. Eva B. O'Brien of Santa Ana, assisted in hosting. The Social Order of the Beauceant and several groups from the Tustin Presbyterian church sent messages and gifts.

In the afternoon Miss Marjorie Rawlings gave readings and Mrs. Ernest Byrne added to the program. Last evening, Dr. C. A. Day sang. Arden and Lois Murray, Marian Baxter and Betty Kellams added to the program, as did Mrs. Ray Baxter, who read intriguing tea-leaf fortunes for the guests, and O. A. Murray, who conducted a hilarious game of adding adjectives.

Mr. and Mrs. Smith lived for 18 years on the Irvine ranch, where Mr. Smith has charge of the water development for the Irvine company, so many of their guests were individuals connected in some way with the Irvine concern.

## IRVINE HOME BUSY AS YOUNG GUESTS FROM NORTH THERE

The James Irvine home is especially busy this week as it forms the Easter vacation headquarters for the two nieces of Mrs. Irvine and a group of their friends down from San Francisco.

Miss Kate Lillard and Miss Prudence Roberts are entertaining Misses Amy Bolles and Amy Woods, and the four are accompanied by Mrs. Hall of San Francisco, whose daughter, Bonnie, is also in the Southland for the vacation.

CRIPPLED RELIEF BOARD  
Monthly meeting of the board of directors of the Crippled Children's Relief Association of Orange County, Inc. will be held at noon Friday in Hughes cafe, 510 Spadra, Fullerton.

A JOURNAL WANT-AD WILL START YOU TALKING, TOO

## EASTER QUEEN GETS ACQUAINTED

Here is dainty four-year-old Shirley Waite getting acquainted in advance with her bunny and chicks. She was selected as queen of the annual pre-Easter frolic held by the poultry industry at Petaluma, California's "egg capital." (Associated Press Photo)

## D.A.R. CHAPTER HERES TALK ON SILVER, MUSIC PROGRAM

Patterns and workmanship on early American silverware were described by Mrs. G. W. Madill, Long Beach, at meeting of the Santa Ana chapter, D. A. R., Saturday afternoon at the Gustlin studio.

The speaker is a sister of Mrs. W. D. Guthrie. Mrs. Walter Wessels, president of the Los Angeles Women's Symphony orchestra, played four violin numbers, accompanied by Clarence Gustlin. Mr. Gustlin played several piano selections, and introduced Jane Louise Grace and Barton Beek, Balboa, who opened and closed the musical program with piano duets.

Mesdames J. H. Nicholson and John Clarkson poured tea after the program. Others on the entertainment committee were Mesdames E. D. Holmes, W. H. Harrison, E. A. Philo, Anna Simpson, Elsie Holmes, W. D. Guthrie, the Misses Martha and Nina Morning, Opal Davis and Martha Whitson, and Mrs. and Mrs. Clarence Gustlin. Guests included Mesdames William Taylor, Martin, Stoneberger, Clark, Misses Ruth Bauer and Katherine Robbins, Santa Ana; Mrs. Thomas Griffin, Misses Crawford and Winslow, Los Angeles; Miss Walden, Orange; Mrs. E. S. Evans, regent of Eschscholtzia chapter, and Mrs. J. R. Medlock, mother of Mrs. Gustlin.

## WILLIAM CLEGG ARE HONORED AT DINNER IN E. S. TETER HOME

Mr. and Mrs. William Clegg (Ada Teter), who were married March 28 in Yuma, Ariz., were feted Sunday afternoon at a bridal dinner given in the home of her parents, Mr. and Mrs. E. S. Teter, 1310 South Broadway.

Pastel flowers centered the table for the 1:30 o'clock dinner. Present with Mr. and Mrs. E. S. Teter were Mr. and Mrs. G. B. Teter and children, Glenn, Mary Lou, Billie and Jackie, Laguna Beach; Mr. and Mrs. J. B. Anderson, Tustin; Edwin Wood, Anaheim; Mrs. Margaret Corbett and children, Shirley, Bernice and Joann; the honored couple, Mr. and Mrs. Clegg, and Ray Teter.

## MERRITT WHITE HOME AT BALBOA SCENE OF CLASS PICNIC

To the south bayfront home on Balboa island of Mr. and Mrs. Merritt White trekked 34 members of Lathrop and Willard evening classes and their families, for their annual outing Sunday. Edw. Mathews, Mrs. Rex Barker and Ed Pagenkopp comprised the picnic committee.

Jean Pagenkopp found the greatest number of eggs in an Easter egg hunt for the children. Among their elders, playing "Easy Money," Ed Pagenkopp and Mrs. Nate Gantman made high scores. Tom Sawyer photographed the group, which included Dr. and Mrs. Lincoln Sherrard, their two children; Mr. and Mrs. E. F. Mathews, Bruce and Ruth Jane; Mr. and Mrs. Ed Pagenkopp, Dolores, Jean and Ed, Jr.; Mr. and Mrs. Rex Barker, Corrine Ann; Mr. and Mrs. William Hardin, Robert and Roy; Mr. and Mrs. Nate Gantman, the Misses Dolores Madrid, Rose Lee Fitzpatrick, Lucille Rios, Lila Adrian, Ethel Garshof, Naomi Crosswell, and Jack Reed, Harry Venger, Tom Sawyer, Charles Sawyer and Don Snodgrass.

## RAIN ON THE ROOF ADDS TO PLEASURE AT CLUB MEETING

A light patter of rain on the roof and a huge crackling fire in the fireplace made Friday afternoon ideal for the regular meeting of the Laguna Beach Woman's club. Mrs. E. E. Smith of Anaheim, state chairman of literature, spoke to the group and Mrs. Lillian Rhodes was hostess.

Members of the club have been instigating a drive to present books to the local high school library and several books were brought to the club for the school.

## SILVER TEA SLATED FOR TOMORROW BY SEDGWICK W. R. C.

Combining regular business session with a silver tea and sale of home-cooked food, Sedgewick Women's relief corps will meet tomorrow afternoon in the M. W. A. hall.

Arranged as a benefit affair, with friends and guests of members invited, the tea is arranged to follow customary meeting of the group, at 2 p. m.

## P. E. O. CHAPTER GJ HAS TEA MEETING IN STAUFFER HOME

Members of Chapter GJ of the P. E. O. Sisterhood were feted at a tea meeting yesterday in the home of Mrs. William J. Stauffer on North Ross street. The program included the reading of a letter written to a P. E. O. member by an Orpheus choir singer who was on tour recently in Russia.

Mrs. Clarence Bond poured tea. Annual homecoming, in charge of past presidents, will be April 20, at the home of Mrs. Ray Miller, Midway City.

## DUO HOSTESSES TO GOLDEN STATE CLUB

Assisted by her mother, Mrs. J. Hutchins, Mrs. Margaret Housley entertained Golden State, R. N. A., members Friday at her home, 555 North Orange street, Orange. Covered dish luncheon was served preceding an afternoon of cards and sewing.

Mrs. C. E. Cole, a guest, received the door prize. Mrs. W. E. Tibbets, Orange, and Alice Morse, Santa Ana, were additional guests. Mrs. Tren Johnson, La Mirada, is to be hostess at the May 1 meeting.

CHURCH WOMEN MEET  
Women's Missionary society of the United Brethren church will meet at 2 o'clock Thursday afternoon at the home of Mrs. Vesta Walker, 922 West Second street. The Ladies Aid is to meet at noon at the church, Third and Shelton streets, for a covered dish lunch and afternoon session.

## Two Entertain Santa Ananne Reports at Mexican Luncheon Conclave

Mexico's riotous colors and quaint charm were captured in a clever 1 o'clock bridge luncheon at which Mrs. Charles Adams and Mrs. Don Hillyard entertained together last Saturday in the latter's home, 925 Lowell street.

Plaid Mexican linens covered the six small luncheon tables, and pottery in four hues and bowls of deepest pink primroses appointed them. A menu of delicious "frijoles," colorful vegetable salad, hot rolls and shortcake was served. Mrs. William C. Smith sent the primroses.

A group of four of Mrs. Hillyard's United Presbyterian Sunday school class girls, Misses Margaret Kelly, Betty Bradley and Barbara Warne, assisted in serving.

Black Mexican silhouettes served as salutes. In the bridge play Mrs. Paul Hall won a miniature ivory whatnot shelf with blue mirror lining. Ivory framed flower pictures went to Mesdames William C. Smith and Hubert Nail.

The lovely flowers used in the home were sent by Mesdames A. P. Trawick, Don Jerome, John Miller, Harold Brown, William Smith and Gene Robinson.

Guests included Mesdames Paul Hall, Arthur Trawick, Dean Campbell, Hubert Nail, William Smith, Arthur Angle, Don Jerome, Gene Robinson, William Penn, Harold Finley, John Miller, Robert Weston, George S. Briggs, Elmer Christiansen, John Backus, Clara Seals, V. L. Motry, Claude Sleeper, Harvel Gardner, W. K. Hillyard, John Bascom, Ed McFadden and Misses Frances and Gertrude Potts and Mary Andrews.

## QUILL PEN CLUB HAS DELIGHTFUL PARTY IN WATSON HOME

Miss Lella Watson entertained the Quill Pen club at a very pleasant meeting last evening in her home at 1818 West Eighth street. Not the least attractive phase of the evening was the abundant arrangement of flowers from the hostess' garden, seen throughout the rooms.

In the large drawing room, where the program was given, were German and San Gabriel iris in a large bowl, and pure white center lilacs in another bowl on the fireplace.

Mrs. William Fritcher read a group of poems, Mrs. Emmett Elliott read a story written by her son, Frederick, and Mrs. Blanche Small Brown read a story.

In the dessert hour Mrs. Roy Winchester served coffee and Miss Watson, punch, at a dining room table laid with lace and centered with pink transvaal daisies in a pink crystal bowl. Molded fruit salad with cheese wafers and assorted cakes were served.

Later the group adjourned to the sunroom for an informal visit. Here a vase filled with yellow iris added a gay note of color.

Also present were Mrs. Marsh Adams, Miss Mildred Watson, Mrs. Frank Was, Mrs. Marshall Harnois, Mrs. Samuel Marshall and Mrs. Annette Smith.

## CHAT'N SEAU CLUB HAS GALA PARTY AT L. A. DICKEY CABIN

Chat'n Seau club members went sleighing and spent the happiest week-end together in the L. A. Dickey cabin at Crestline, last week-end. The party was in the nature of an annual outing for the group of friends who have lived up to their club name for more than a score of years.

Enroute to the mountains Saturday morning they encountered a light snow, and at the cabin they found crisp cold weather and sunshine. Present were the hostess, Mrs. L. A. Dickey, and Miss Gertrude Potts and Mesdames Fred Merker, Warren Hillyard, Claude Sleeper, Carl Edgar, Harvey Gardner, J. A. Gajski, Frank Hemmet and Walter Gerken.

## SACRIFICIAL MEAL SCHEDULED FOR TOMORROW

As special observance of Holy week, members of the First Christian Missionary society will meet tomorrow morning from 10 to 11 o'clock in the church educational building for a sacrificial breakfast.

Mrs. W. S. Buchanan, program leader, will be assisted by Mrs. M. Haskell and Mrs. C. E. Price. Members are to bring in their Easter offerings. All churchwomen are invited to attend.

IMAGINARY FLIGHT  
Visiting missionary workers in various parts of the world, the First Presbyterian Women's Missionary society will make its last imaginary flight on the plane "Worship," after gathering at 2 p. m. at the church tomorrow. Mrs. B. Youel and Mrs. W. G. Rice will be in charge.

LUNCHEON TOMORROW  
Martha Washington club will meet tomorrow at the home of Mrs. A. M. Summerville, 3418 West Commonwealth, Fullerton, for a 1 p. m. luncheon.

EBELL LEADERS  
Leaders of Ebell club sections are to meet at 9:30 o'clock tomorrow morning in the clubhouse lounge.

Miss Lucie McDermott, attractive young Santa Ananne to whom has come quite recently the honor of being Southland head of Beta Sigma Phi sorority, reported her new cabinet at the first state conference of the sorority, last weekend in the Hotel Californian at Fresno.

Miss McDermott and five other members of the Santa Ana chapter went north early Saturday for the meeting, which featured discussion groups, luncheon, a Saturday night party and a Sunday luncheon.

Miss Grace Johnson of Stockton and Miss Margaret Watt of Santa Monica reported on work of the two districts in the state. The next state meeting will be held next April in Bakersfield.

## V. F. W. AUXILIARY INITIATES TWO AT INSPECTION

Official inspection visit to Ernest Kellogg auxiliary, V. F. W., was paid Friday evening by Mrs. Florence Lister, Ontario, assistant staff officer. Auxiliary members from Anaheim, Orange, Fullerton and Riverside chapters were present.

Mrs. Gladys Hulme and Mrs. Nava Sue McEvoy were initiated. Mrs. Esther Hendrickson conducted business meeting. Committee chairmen reported on a visit to the Sawtelle hospital March 30, with gifts from the sewing club, and on plans for a rummage sale, April 24 and 25.

Mesdames Eleanor Shaw, Ilene Miles and Helen Gregg served refreshments to post and auxiliary members, who joined after their respective meetings.

## OSCAR H. HUCKS PRIDEFUL PARENTS OF NEW DAUGHTER

They haven't named her, but Mr. and Mrs. Oscar H. Hucks are greatly rejoicing in the birth of a daughter Sunday in the Babe's Nest maternity home. Their residence is at 1601 West Eighth street.

Mrs. Hucks is the daughter of Mr. and Mrs. C. A. Hughes, and her husband is the son of Mrs. Elizabeth Huck, of Little Rock, Ark. They came from Arkansas a year ago, and the proud papa is employed by George Dunton at the Ford agency. Mrs. Hucks and the baby are getting along nicely.

The new little girl has a 4-year-old brother, Charles Henry Huck.

## S. A. COUPLE HOME AFTER YUMA RITES

Mr. and Mrs. Dolph W. Kelsey (Virginia Sawley) arrived home last night from Yuma, Ariz., where they were married Saturday afternoon at 4 o'clock in the Methodist parsonage of the Rev. Mr. Scott.

Mrs. Kelsey wore a white Palm Beach suit with London tan accessories and gardenias. Mr. and Mrs. L. C. Stahl jr. of Yuma, attended the couple.

They toured Arizona before returning home to live temporarily at Balboa. The bride is a Santa Ana high school graduate. Mr. Kelsey is manager of the Richards Trucking company.

## SANTA ANA ARTISTS ON AID PROGRAM

Spring songs by Mrs. Holmes Bishop and piano selections from Bach, played by Clarence Gustlin, constituted the musical program for the meeting of the First Presbyterian ladies aid Friday, at the home of Mrs. V. A. Henderson, 2411 Riverside drive. Miss Ruth Armstrong played the piano accompaniment for Mrs. Bishop.

Mrs. Milo K. Tedstrom, new president was in charge of business meeting. Mrs. W. G. Wright led devotionals. Hostesses were the Mesdames A. L. Eels, O. J. Herwood, George Shriver, L. R. Wilson, Charles Scherer, H. N. Brothers and C. I. Dale.

## DR. SUTHERLANDS ENTERTAIN CLUB

Dr. and Mrs. H. K. Sutherland entertained their bridge club Friday evening with a buffet supper party in their home on Riverside drive. Pastel flowers were arranged through the home.

Mrs. Allan V. Elston and Ellis Diehl won prizes in contract. Others there were Mr. and Mrs. Loren Moore, Mr. and Mrs. Don Mozley, Mr. and Mrs. R. Carson Smith, Mrs. Diehl and Mr. Elston.

## Mary Stoddard Nothing Too Bad for "Other Woman," Thinks Late Correspondent on Home-Breaking

Indignant letters pour in as readers simmer over "Virginia's" declaration that it was respecting for her married sweetheart's home that keeps her deceiving his wife. No one seems to agree with Virginia's interpretation of her clandestine romance as preferable to "humdrum" marriage.

## The Thinkers

Wherein women of the community express their views on topics of particular interest to women

What do you think of trying to be a business woman and run a household and family at the same time?  
Mrs. Grace Millings: "About the hardest thing I ever tried to do was to keep my son in school for 10 years while he was growing up, and while I was working outside my home."

Mrs. Lillian Warhurst: "I don't know of anything more trying than being a mother and a business woman at the same time. The two just don't mix, and it is awfully hard on anyone, no matter how husky."

## 2-YEAR-OLD BOY ENTERTAINS GROUP AT EASTER PARTY

Master Kenneth Morgan, who's just 2 years old, was host to 10 of his very young friends at an Easter party late last week in the back yard of the home of his parents, Mr. and Mrs. Charles Morgan, 1446 Maple street.

Little Beverly Grace Morgan, one of the guests, won a dainty Easter basket by finding the most eggs in an exciting hunt.

After a series of games, the children found their places by means of eggs tagged with their names, at a long table at which gelatin dessert and bunny cookies were served. They gave Easter presents to Kenneth.

The only child who could not be present was Buddie Anthon, who had suffered an injury to his arm.

Children present were Noraleen McConnell, Beverly Morgan, Marilyn Lowen, La Verne Olsen, Ida May Storry, John Storry and Albert Boss of Santa Ana; Patsy Williams of San Clemente, and Don Wray of Maywood, and their mothers, Mesdames Albert Lowen, George Morgan, Edward Storry, Albert Boss, George McConnell, Ellsworth Storry, Randolph Williams and Elmer Ray, and Misses Vivian and Ruth Switzer. The two last named assisted in hosting.

ENTERTAIN TO HONOR SON  
Mr. and Mrs. Harry B. Wagoner of South Laguna entertained with an elaborate dinner party Sunday evening honoring the 19th birthday of their son, Norman Wagoner. Guests present included Miss Doris Thurston, fiancée of the honoree; Miss Halmar Forrest, Miss Jane Whitmore, Miss Caro Cogan of Tustin, Miss Jane Mecklin, Mr. and Mrs. James McGill of Hollywood, Mr. and Mrs. Harvey Stiver of Pasadena, cousins of the honoree, and Miss Jule Young of Long Beach.

## MISS LORRAINE CLARK FETED AT SHOWER IN C. V. DAVIS HOME

Miss Lorraine Clark, who is to be married April 17 to Harold Daley, was feted by Misses Barbara Davis and Helen Marvel at a 1 o'clock luncheon and shower of kitchenware gadgets last Saturday in the C. V. Davis home on North Broadway.

Clusters of fragrant sweet peas centered the small luncheon tables. In the afternoon Miss Charlotte McCausland won high score in bridge play.

Other guests included Mesdames Russell Daley, Edward Daley and Herbert Meyers and Misses Leola Schroeder, Muriel Bray, Betty Hill, Mary Elizabeth Heaney and Elizabeth Borchard.

## BOOT'N SPUR RIDERS GO TO HOLLYWOOD

Boot'n Spur club rode the Hollywood trails from the Du Brock's stables last Sunday, and concluded with breakfast in the English Tavern.

Sharing the very enjoyable morning outing were Messrs. and Mesdames Elmer Gates, Frederick Lawrence, Harold Mathews, Dwight Miller, Dell Lewis and Charles Frazer, and Misses Georgia Gail Penrock, Lillie Forsberg, Alice Majors, Millie Allen, Edna Laughlin, Esther Runkles, and Maj. Roy Mattocks, Paul Beckman and Ted Ovin.

## GEORGE W. BONDS TO GO TO OREGON

Mr. and Mrs. George W. Bond of East Myrtle street are to leave tomorrow for Eugene, Ore., to spend a month.

The Santa Anans are going north by automobile. They make the Oregon trek once or twice each year and have hosts of friends in and near Eugene.

## B. P. W. Names Nominees For Office

Lena Thomas for president, Laura McNaught as first vice president and Leroy Decker as second vice president led off the ticket of nominees presented by the committee for next year's officers of the Santa Ana Business and Professional Women's club at its dinner meeting last night in the Doris Kathryn Tea Shoppe. Other nominees are Ruth Kemmerer, recording and Grace Wolff, corresponding secretaries; Ella Vieze, treasurer; Olivia Clark sergeant-at-arms, and Lorraine French and Effie White, directors.

Delegates chosen for the district convention to be held in Riverside April 15 and 16 at the Mission Inn were Lena Thomas, Harriet Whidden, Emma Van Deusen and as alternates, Anita L. Alexander, Blanche Small Brown and Alma Karlsson.

To Sing Monday  
Club members will meet Monday evening with Mabel Spizy, 1216 North Broadway, for a song practice. Mrs. Spizy has been nominated as music chairman for the state B. P. W. club.

An especially enjoyable program meeting given by Ralph Baker, instructor and writer, Mr. Baker, of the Lathrop Junior High school English department said: "Four things determine the value of a magazine—science, history, art and politics."

Among the interesting things noted by the speaker were that the Los Angeles library paid \$50 for the first issue of "Flight," published in 1909 by a group of five men published in "The American Spectator," which has a value of \$25.

"Harpers" of December, 1866, includes an article by Mark Twain which gives it a \$40 value, he added. "The Raven" appeared in 1845 in two magazines, the "American Review" and the "Southern Literary Messenger." These two are valued at \$45 each, he said.

Contribute to Relief  
He also mentioned that librarians keep a complete file of magazines and often pay a good price to fill the gaps. A complete file of "National Geographic" magazines sold for \$400.

"The only way to learn the value of your old magazines," Mr. Baker concluded, "is to ask a broker."

Lorraine French conducted the business session. Ruth Ellis of Compton was a guest. Dr. Stella Davis and Mrs. M. L. Decker were introduced as new members.

The club voted to contribute \$25 to the Red Cross emergency relief fund.

## ENGAGEMENT TOLD BY COUPLE TO BE MARRIED SUNDAY

Announcement has been made of the engagement and approaching Sunday evening wedding of Miss Maxine Ruth Lamb, daughter of Mr. and Mrs. Arthur Jeffers, 302 South Parton street, and Paul N. Kilby of 408 Sprague street.

The bride-elect and her fiancé both attended Santa Ana High school. She later attended the Business Institute. Mr. Kilby is employed by the Garin Fruit company of Los Angeles.

## OVEN FRESHEN CRACKERS

To freshen crackers that have become moist from rainy, foggy, damp days, place them in a hot oven for two or three minutes.

## QUIET PROFIT TAKING HITS MARKET

Utilities and Specialties  
Survive Selling Move  
In Dull Session

By VICTOR EUBANK  
NEW YORK, April 7. (AP)—Except for the utilities and scattered specialties, leading stocks in today's market backed away under profit taking pressure.

In extremely quiet trading such issues as Consolidated Edison, North American, American Water Works, Radio, U. S. Smelting, American Smelting and General Electric move ahead fractions to a point or more near the start of the fourth hour.

Among leaders off as much, were U. S. Steel, Bethlehem, National Steel, Midland Steel Products, Youngstown Sheet & Tube, General Motors, Chrysler, Westinghouse, Johns-Manville, Distillers Corp., Greyhound, Union Pacific, Southern Pacific and Santa Fe.

Notwithstanding optimistic implications of the course of domestic business and industry, some traders were said to have adjourned to a neutral position pending the forthcoming French elections. A devaluation of the franc, it was thought, might have a temporarily unsettling effect on securities.

### Grain Market

CHICAGO, April 7. (AP)—Firmness characterized wheat values today, more confidence in the buying side being evinced, especially in regard to the near-by delivery. May. March interest was displayed concerning talk in the British parliament as to utilizing Canada's surplus wheat to stock British granaries for defense purposes. Traders watched sharply the action of the Winnipeg market.

Wheat closed firm at the same as yesterday's finish to 1/2 higher, May 94 1/2c; July 84 1/2c; corn also unchanged to 1/2 up, May 59 1/2c; oats unchanged to 1/2 advance, and provisions at 2 1/2c decline. Closing prices:

WHEAT—High Low Close	
May	94 1/2 94 1/2 94 1/2
July	84 1/2 84 1/2 84 1/2
September	84 1/2 84 1/2 84 1/2

## Santa Ana V. F. W. Visit L. A. Camp

Campaigning for Frank P. Rowe, candidate for department inspector of U. S. W. V., a committee from Calumppitt camp visited the Theodore Roosevelt camp, Los Angeles, and witnessed installation ceremonies, conducted by Department Commander Frank J. Zeigler, inducting Past Commander-in-Chief Antonio P. Entenza into the office of camp patriotic instructor. This is the first time in the history of the Spanish War Veterans' organization that a past commander-in-chief has ever been installed into that camp office.

Santa Anas present were Commander James A. Randel, William Brown, Frank P. Rowe and Charles E. Dixon.

Commander Randel received word from Commander Rodney Henry, of Capt. E. L. Baker camp, Los Angeles, that he would lead a delegation to visit Calumppitt camp tonight. It will be a return visit by veterans of the Spanish war, former members of the Ninth and Tenth Cavalry and the 24th and 25th Infantry, the colored regiments of the regular army in 1898-1902. Refreshments are to be served.

## Epic Policy Is Defined By Burke

Editor, The Journal:

In a story your paper carried on Saturday in regard to the use of the Willard Junior High school auditorium a very wrong impression was given. The story ties up the Epic clubs of Orange county with some organization seeking a repeal of some legislative act.

The Epic movement, and particularly the Epic clubs of Orange county, do not represent or sponsor any movement except production for use by the unemployed.

If this had been stated to the school board and the applicant had made it clear that the picture "Spirit of America" was wholly in the interest of the "Epic" movement and was not connected with anything out of harmony with the law, I am informed permission would have been granted for the use of the building for the showing of the picture.

W. MAXWELL BURKE,  
Executive Secretary,  
Epic Clubs, Orange County.

## Two Injured in Auto Crack-ups

Two traffic accidents on county highways yesterday resulted in two persons sustaining minor injuries, according to reports on file at highway patrol headquarters today.

Miss Betty Walls, 12, Anaheim, was injured at 9 a. m. yesterday when cars driven by Jay Wood, 20, Anaheim, and H. M. Gothers, 51, Santa Ana, collided. The accident occurred at West First street and Harbor boulevard.

Mrs. Ella F. Hartwig, 40, Los Angeles, was injured at 12:30 p. m. yesterday when her car collided with a machine driven by Richard Arlovo, 67, Long Beach. The accident occurred at 101 highway and Chapman avenue near the county hospital.

## Gets 12 Days in Jail on 3 Counts

"Frank G. Amado, 29, Los Angeles. Charge, violation of sections 505 A, 250 A, and 158 A of the vehicle code."

Thus read one of the bookings at the county jail this morning. The charges, according to the vehicle code, are reckless driving, driving without an operator's license, and driving a car minus 1936 registration. Amado was arrested in Brea this week-end, and was sentenced to 12 1/2 days in the county jail in lieu of a \$25 fine.

His case was heard before City Judge R. M. Fleisher, Brea.

## Political Forum to Hear Mrs. Richards

"Production for Use," principles of the theory and its workings, will be discussed this evening by Kate Richards O'Hara, Los Angeles, at weekly meeting of the Political Education Forum at 8 o'clock in the Unitarian church.

Mrs. Richards, a veteran in liberal political movements in the Middle-west before coming to California, will be introduced by E. S. Wooster, a former business associate and friend of long standing. Ted Blanding, forum chairman, will preside.

## CLARENCE GUSTLINS HEAR MRS. M'DOWELL

Mr. and Mrs. Clarence Gustlin of Santa Ana were among those who heard Mrs. Edward MacDowell talk at a reception last Sunday in the W. A. A. club, Los Angeles.

Mrs. MacDowell is delaying her departure for the east so that she may be a guest in the Gustlin studio on North Spycamore street Monday afternoon, when Mr. and Mrs. Gustlin plan to invite a few of Orange county's music lovers to meet her and hear her talk and play some of the compositions of her composer husband.

## ORANGE RESIDENT WINS WARD'S AWARD

Arthur Busch, 437 South Olive street, Orange, today was adjudged the winner of first place in Pow-Kraft woodworking machinery contest. He was awarded a wood-working lathe.

Joe Leemon, 319 East Pomona street, Santa Ana, was winner of second place. He also was awarded a lathe.

It's Fun to Embroider These

**PATTERN 5568**  
It's fun to mind THESE P's and Q's for they're one way you can mark your linens, handkerchiefs and lingerie so all will know they're yours! Easy to do, too, in cutwork (really just buttonhole stitch) satin or seed stitch, and if you're in doubt, clear directions tell you how. Best of all, you've three alphabets from which to choose, which means you can vary your initials and monograms in every sort of exciting way!  
In pattern 5568 you will find a transfer pattern of three complete alphabets, one 2 inches, one 1 1/2 inches and one 1/4 inch (the dimension indicates the size of the letter); information on the correct placing of initials; illustrations of all stitches needed; material requirements.  
To obtain this pattern send 10 cents in stamps or coin (coin preferred) to The Journal, Household Arts Dept., 117 East Fifth street, Santa Ana, California. Be sure to write plainly your NAME, ADDRESS and PATTERN NUMBER.

Silver Trophy for best editorial page in California given by State Chamber of Commerce to The Journal.

### A Misguided Attack

RECENT bitter attacks upon the citrus prorate—the first line of defense for Southern California's mighty orange and lemon industry—have been due, we believe, to a misunderstanding of the theory behind the extremely practical prorate idea.

The prorate does not seek to boost prices and curtail shipments unduly, as has been maintained. Instead, the prorate simply seeks to apply the doctrine of correlative rights. Under this theory, the available market for any crop at any particular moment or during any stated period is to be regarded as the common property of all who have any such crop to sell at such time.

Object of the prorate is to regulate distribution and shipments of oranges and lemons, and other crops affected, where necessary to prevent chaos and possible destruction of the industry in such particular commodity. The conflict is between the rights of the individual as opposed to the collective group, and the latter is placed paramount.

There is no danger that operation of the prorate will result in a monopoly for the sake of creating a profit out of an artificial era of scarcity. This is pointed out clearly by Dr. H. R. Wellman, of the Giannini Foundation of Agricultural Economics, University of California. He writes—

If shipments of oranges are too greatly limited, oranges will be expensive as compared with products which serve as substitutes for them. If the relatively high prices of oranges are maintained for an extended period, consumers with small incomes will be less keen in favor of other products. Their accustomed preferences and habits of consumption might be changed sufficiently so that it would be extremely difficult to regain fully their trade once it has been lost.

In order for this condition to develop, however, the two essential premises upon which the prorate is based must be fulfilled. First, that limitation of shipments would result in a material increase in retail prices of oranges relative to retail prices of competing products, and second, that the relatively high retail prices of oranges would be maintained for an extended period.

A moderate reduction in shipments of oranges in a year of excessive supplies would not necessarily cause the retail prices of oranges to rise above the relation that existed in previous years. If retail prices of oranges were low relative to retail prices of other products as compared with previous years, a moderate reduction in shipments might only be sufficient to cause retail prices to resume their former relationship. Furthermore, the stabilization of the market from regulation of the quantity shipped would tend to reduce trade margins relative to the services performed so that all of the increases in prices to growers would not be passed on to consumers. The effect in changes of retail prices of oranges upon the consumption of them is not so much from the absolute changes as it is from the changes of prices relative to substitute products.

Destruction of the prorate might easily mean bankruptcy for the citrus belt. As the California supreme court pointed out last month about the lemon industry when it upheld the state prorate act: "Its destruction would be no less than a public calamity; not only to this state but to all those residing without its limits."

### The G. O. P. Dilemma

A LEADING G.O.P. brain trust—Dr. Nicholas Murray Butler, president of Columbia university—after a survey trip across the nation still has hopes that his party will heed his counsel.

Dr. Butler will be remembered as the man in 1932 who told the G.O.P. that its prohibition straddle plank was "sired by Muddlehead out of Cowardice." He argued that economic nationalism, carried to an excess, leads to depressions and wars.

He now finds that the Republican party lacks only two things—a constructive program and a statesmanlike candidate. The names of Borah and Landon are chiefly heard, he reports, but the people know too much about one and not enough about the other. The doctor comments—

I was quickly aware of the widespread lack of confidence in the present-day Republican party, due to its failure to produce constructive and courageous leadership or to formulate and present a constructive policy to lay before the people.

It will not be enough simply to declare for the protection and preservation of our American form of government. It will be necessary to tell what we are going to do with it when we have preserved and protected it.

There are a lot of independent-thinking Americans who feel the same way about the situation. They want to know what the Republican party will do if it wins at the November election. Because it has become quite apparent that Mr. Roosevelt—who seems to be far in the lead at present toward winning the presidential prize again—is all for continuing to remake the economic and political fortunes of the United States.

It is up to the Cleveland convention to create a wise, new leadership for the Republican party, to find a constructive program and a statesmanlike candidate. Otherwise, the G.O.P. will have to suffer the consequences at the hands of the voting public.

### Soil Conservation Needed

FLOODS and winds now sweeping the East and Midwest are not limiting their devastation to human life and property. They are taking a toll from old Mother Earth herself through soil erosion.

A good example of the harm which erosion does to Mother Earth may be seen driving out to El Toro in Orange county and taking a look at the federal soil conservation project under way. On a rainy day, you can see the earth wash away in chocolate streams. On windy days, like those this week, you can see it blow away in sheets.

Conservation of soil is a national necessity. The problem cannot be attacked too strongly and too quickly on a nationwide scale.

## Whimsies of O. O. McIntyre

All the ace money crooners are in a flutter. A group of old time singers threaten to lunge up from behind and crowd them from the microphone. The first upset was caused by Benny Fields, who couples an old time ballad style with the modern croon.

As a result the street which for a couple of years has been a constant ducking in doorways to dodge bailiffs began blazing his fame with lights and banners. "Your Minstrel Man" they proclaim. And the minstrel motif is indeed descriptive of the sudden change.

Honey Boy Evans, were he alive, could write his own ticket in cabaret or on the air. The veteran John Steele, thought incomplete discard, is again climbing to new favor. So are a half dozen others who combine the prosy art of the music hall balladist with the Rudy Valle nasal style.

Frank Fay came out of the undeserved obscurity in this sudden backwash. And art critics insist Al Jolson, Harry Richman and other favorite was-wahers must adopt the newer technique to hold their fans. The throwback started agency angling for Irene Franklin and even the old Avon Comedy Four.

I saw an unashamed snuff user in the foyer of the Biltmore the other evening. He was of the old school, a gold headed cane dating him, and listening to an orchestral concert with a chattering Katharine Hepburn-looking companion. He carried his tortoise shell snuff box in a vest pocket and twice opened it showily for pinches which he carried with a 17th century laced cuff flourish to his nostrils. A hell boy said later he was a regular visitor from New Orleans and everybody called him Colonel. A Charles Dana Gibson double with goatee and thick stock of hair.

Ted Woodyard, young publisher is an authority on snuff lore with a library shelf on the subject tells me snuff using is far from a lost art in America. In 1934, for instance, more than 40 million pounds were used and earnings totaled seven millions. The modern snuff users—two of the big names among orchestra leaders indulge—holds his pinch in his cheek. Only the old timers actually snuff. Included in the list of illustrious snuffers through the years are Ben Jonson, Frederick the Great, Napoleon, Voltaire, Talleyrand, Swedenborg, Lafayette and Mary Lamb.

So far as known Lillian Russell was the first American feminine celebrity to smoke a cigar at private dinners. She never indulged in public. Her cigars were midwinters and especially rolled in Tampa. Cigar smoking today among women is no longer catalogued as curious. Cobina Wright, of the Social Register, often lights up a man-sized panatella and handles it with Jose Cannon deftness. One of the more serious women states calmly herself before curtain rises by puffing a fragrant Havana perfecto and there is a hoiden of the movies who burns up rattled stogies when with friends she feels won't "peach." One of whom, ha, ha, told me.

The thimble pipe for Milady—wasn't Irene Castle first with it?—made a fumbling bow several years ago but quickly withdrew. Theatrical press agents worked overtime exploiting news pictures of chignons and wigs. The tobaccoists displayed various models in their windows and a literary lady who had just authored a risqué book appeared here and there with one. But the idea was a mild flurry that died a born.

Many of the heaviest male cigar smokers are of the stage. Such as John Drew. Of the moderns Frisco, with his "heaters," probably tops the list, lighting one up, awaiting what the puffing chain fashion until the end of the bed lamp at night. Joe Laurie, jr. is a runner-up, seldom without one in full glow. Robert Woolsey is another, as is Bobby Clark. And, of course, there are George Jessel and Francis Albertant who puffs the fastest, longest and fiercest maw. One after another. Awk!

I'm wondering what will happen to the male garter business. Most of my friends, as well as myself, use elongated hosiery with woven elastic bands at the top to hold them in place. King Edward kicked the idea onto the first pages when he revealed a garterless calf at an industrial exhibit. The change just about shears my only distinction. For a number of years I was head man of the Sidewalk Garter Draggers.

(Copyright, 1936)

### IRRIGATION WINS

HUGOTON, Kan. (AP)—An irrigated 80-acre tract producing more crops than an unirrigated and adjoining 640 acres has convinced Howard B. Wheaton, one of this county's big wheat farmers, that irrigation machinery and small tracts would be more successful here.

The United States office of education reports a decrease of about 30 per cent in the number of one-room schools during the last 19 years.

## EVERYDAY MOVIES

By Denys Wortman

MRS. RUMPEL'S ROOMING HOUSE  
"I'd better put the 'room to let' sign in the window again. This front hall bedroom is fighting with the rear double over staying in the bath too long."

## The Merry-Go-Round

By DREW PEARSON and ROBERT S. ALLEN

WASHINGTON, April 7.—The Rust Brothers, inventors of the revolutionary cotton picking machine, have refused to sell one of their machines to the Argentine government.

It has been ordered by Governor Castells of the Chaco province, which is speeding cotton cultivation in competition with the United States.

The Rust brothers have been willing to forego profits on their invention in order that it may not help competition abroad, also may not throw too many southern tenant farmers out of work.

NOTE—Argentine cotton fields' chief need is labor or labor-saving machinery.

MRS. ROOSEVELT'S DIPLOMACY  
Mrs. Roosevelt caused great consternation to the French government the other day.

In her daily column, written shortly after Hitler had re-militarized the Rhineland, she discussed the moves for peaceable settlement of the matter and said: "No one denies that the Versailles treaty was unjust in many ways and that revisions should be made. It is quite evident, however, that Germany has ignored the agreements under the Locarno pacts, but it seems more profitable to talk this over than to fight it out again to an unsatisfactory finish and to have another peace built on revenge and fears."

Since bitter opposition to treaty revision is the keynote of the French policy toward Germany, the French embassy, horrified, cabled the exact text to the French foreign office in Paris. To what extent was Mrs. Roosevelt speaking for herself? To what extent was she voicing the views of her husband? That is the burning question which neither the embassy nor the foreign office yet has been able to answer.

FAR EAST  
The inside of the Japanese-Russian war, according to confidential cables received here, is that the springs from the same cause as the young army officers in Tokyo last month.

The younger military men demand war with Russia. They have provoked attacks on the Mongol border without orders from or the knowledge of Tokyo. Even many of the older officers maintain that war with Russia has been postponed too long, that every month of delay sees the Red army stronger, more difficult to conquer.

The Japanese prefer to have war break first in Europe, so Russia will be occupied on both fronts. But failing this, the younger generation is willing to take on the Soviets single-handed.

This is why trouble in the Far East is so responsive to trouble in the Mediterranean or the Rhineland.

SILENT STONE  
Justice Stone, known as the supreme court's most forthright conversationalist, suddenly has become cautious as the sphinx.

Invited to tea with Congressman Maury Maverick of Texas, Stone specified in advance that newspapermen must not be invited. On arriving he was careful to talk only to old friends he knew and trusted. To others he shut up.

CHEMURGY  
New Dealers are anything but joyful over the Republican campaign text that the solution of wider use in industry.

Colonel Frank Knox has notoriously labeled this "chemurgy." But New Dealers regard it as part of a secret GOP plot to wreck their new farm program.

They charge that the DuPonts other chemical firms which contribute heavily to the Liberty League also are behind the plan. They will have to pay more for their agricultural materials if the New Deal crop restriction plan succeeds.

There is no doubt that industrial uses for farm products can be greatly developed, but New Dealers claim that it never can take up the old crop surpluses.

In fact, they say, agriculture department scientists have been exploring this under Republican presidents for years.

Also, Chester Davis, AAA administrator, cannot force that his four years of manufacturing wall-board from Illinois corn stalks ended in flat failure.

SAFE MISSISSIPPI  
Before President Roosevelt left for his fishing trip he had better report indicating that the disastrous floods along the upper Ohio River would not be repeated in the Lower Mississippi.

Though the Mississippi will rise considerably, it has been four feet below its average level, and about nine feet below its flood stage. This, according to weather bureau reports, will be sufficient to handle the extra water from flooding Mississippi tributaries.

MAIL BAG  
Z. B. Flint, Mich.—Mrs. Huey Long does not divulge her age. The forthcoming issue of the Congressional Directory will carry her biography as junior senator from Louisiana, but the date of birth will be omitted. However, she is 42 years old. G. L. Winston-Salem, N. C. There are now six justices of the supreme court old enough to retire on full pay—\$20,000 a year. The retiring age of 70 was reached on St. Patrick's day by Irish Justice Pierce Butler. The other five septuagenarians are: Hughes, 73; Sutherland, 73; McReynolds, 74; Van Devanter, 76; Brandeis, 79.

Even many of the older officers maintain that war with Russia has been postponed too long, that every month of delay sees the Red army stronger, more difficult to conquer.

The Japanese prefer to have war break first in Europe, so Russia will be occupied on both fronts. But failing this, the younger generation is willing to take on the Soviets single-handed.

This is why trouble in the Far East is so responsive to trouble in the Mediterranean or the Rhineland.

## Twenty-Five Years Ago

APRIL 7, 1911

Mr. and Mrs. W. A. Huff and Dr. and Mrs. Charles Whitted passed yesterday in Trabuco canyon dangling lines in the stream in an effort to inveigle trout from their native haunts. The ladies proved more adept than the men and caught good strings.

The Orange elementary school baseball team was roundly trounced at Hawley's Park diamond Thursday afternoon, by the crack baseball nine of McKinley school, 5-1. The following played on the Santa Ana team: McGaffey, Brown, Duhart, T. Lacy, Clapp, E. Lacy, Barrios, Cozad and Coffin.

RIEDERICHSHAFEN, Germany.—The dirigible balloon, Neudenschwand, with a number of passengers and Count Zeppelin, started from Stuttgart at 8:50 a. m. to greet the Kaiser and the Queen at Wuerttemberg.

Miss Jeanette Rowell was honored Wednesday evening at a shower given by Misses Willard and Flook at the home of the latter. Those present included Mesdames C. S. and A. J. Cruikshank, E. B. Trago, C. C. Congdon, Cora B. Cavins, C. A. Terwilliger, M. F. Rowell; Misses Celia Cotter, Lida Crookshank, Nellie Thompson, Elizabeth Wyant, Jeanette McFadden and Hattie Whidden.

The regular meeting of the Santa Ana Farmers' club will be held tomorrow evening at the home of Mr. and Mrs. M. Nisson on North Main street. Everybody is invited.

Mrs. W. S. Peek was hostess yesterday afternoon to the Amphion Circle of the Congregational church. Bacon and eggs, in the shape of cleverly fashioned ice cream, was served in the dining room, the table being artistically decorated with Easter trimmings.

## One Man's Opinion

By Duncan Ellsworth Clark

EDITOR'S NOTE—Here is an informative, analytical daily feature on current topics. The opinions expressed in this column are not necessarily the same as those held by The Journal.

WAR DEBTS—Nemesis of Generation After Generation  
The costs of war throw long shadows across the years. The last pensioner of the War of 1812 has just closed her account. This widow of a one-time drummer boy, himself dying nearly 60 years ago, was drawing a pension a century and a quarter after that conflict ceased. Young "pension widows" marrying old soldiers was a common stripe of goldigger generations ago.

Not so long ago the last surviving pensioner of the Revolutionary war bade farewell to earthly care. A century and a half after Lexington, the "shot heard round the world" was being its last tattoo at the doors of the pension office. Some quarter of a million pension claims from the Civil war are still valid, although that dreadful strife closed more than 70 years ago. The World war, still recent in memory, has doubled its own cost, at present exceeding 50 billions of dollars. In another 20 years, at the same rate, it will represent more than one-third the taxable wealth of the country.

War debts just naturally lead to inflation, repudiation, and bankruptcy. They mount to such dizzy heights and grow with such vigor and persistence that nothing can stop them but financial collapse. Germany went through this agony, as did Russia in all past civilizations broke down under the same kind of burdens. A few promoters reap the profits and glory, but the people pay and pay till the end of time. Children come into this world with crushing millstones about their necks.

Increasing the federal debt is now a fine art. Ingenious devices such as "baby bonds" and "savings bonds" are spread before the purchasing public. Every post-office is an agency for disposing of the bonds, and talking in the money. The terms are attractive. There is a growing philosophy of public debt that is something new. Bigger debts spread out among more people is a good thing. It makes the people partners in their government. But just how debts are going to be reduced while the public is encouraged to buy bonds, thus increasing the debt, is something to answer. Maybe the credit of the federal government is too good.

## The People

This department belongs to The People. Letters to the editor on various subjects are welcomed and will be published, provided they do not contain abuse and personal references. Their publication does not necessarily imply the opinions they express are shared by The Journal. Letters must be signed, although signatures will be omitted upon request.

### RELIGION DEAD? POUE!

To the Editor:  
A rationalist friend of mine entered into argument thusly: "Religion is dying faster today than in all human history."  
"Who told you that funny story?" quoth I.

"All you have to do is to read the papers, study current history. The church today is dead in Russia, Mexico and Spain. To mention a few of the big losses. That is more than the church gained in 1000 years by anything except force of arms and the inquisition."

"I thought you said religion, I didn't know you were talking about any particular church," I retorted.

I am blessed with folks all over the west land who send me sample copies of religious tracts, papers, magazines, booklets. Frequently unknown benefactors subscribe to various religious organs, and I get the chance to study the work of that sect for months.

There are dozens, probably scores, perhaps hundreds, of beliefs that have nation-wide, many of them world-wide, following that the average sinner never hears about.

Off-hand, I would say that there are more people actively engaged in religious work than there were 50 years ago, and faith without works in dead.

When I was a boy all religious work was, in this country, narrowed into the Protestant, Catholic and Jewish churches, probably not more than 10 per cent of the body were outside the recognized organizations. Today I imagine that the non-orthodox sects have about as many ACTIVE WORKING members as have the orthodox congregations.

I know of several unadvertised sects that have a world-wide mission organization, and the members of these sects gladly turn their money for their church. When you discover a wage earner, believing so mightily in his church that he hastens to give one-tenth of his total income to the work of the church you have a force that, like faith, moves mountains.

Humanity today is more earnestly seeking a working faith than ever before. That humanity is failing to find it is a fact in the older churches does not mean the death of religion; quite the contrary.

BILL HILL

## Remarkable Remarks

And I will show mercies unto you, that He may have mercy upon you, and cause you to return to your own land.—Jeremiah 42:12

Who will not mercy unto others show, how can he mercy ever hope to have?—Spenser.

For we brought nothing into this world, and it is certain we can carry nothing out.—Timothy 6:7.

## Journalaffs

There, little red ant, Don't you fear. The picnic season Will soon be here.

One of the most prominent members of the Ant-O-Luck club is the gink who is still making payments on the flivver he wrecked six months ago.

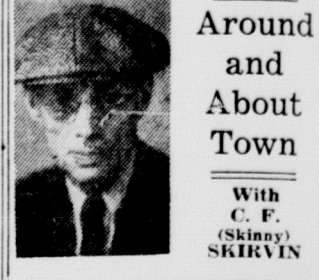

Super-Gigantic Pictures, Hollywood, announce that it will start work next month filming Webster's Unabridged Dictionary. It is the policy of the company to screen nothing but best sellers.

Increasing the federal debt is now a fine art. Ingenious devices such as "baby bonds" and "savings bonds" are spread before the purchasing public. Every post-office is an agency for disposing of the bonds, and talking in the money. The terms are attractive. There is a growing philosophy of public debt that is something new. Bigger debts spread out among more people is a good thing. It makes the people partners in their government. But just how debts are going to be reduced while the public is encouraged to buy bonds, thus increasing the debt, is something to answer. Maybe the credit of the federal government is too good.

For fear the "Lid You See" observers did not see this one, I'll put it in this column: "Disappointed patrons trying to get into the cocktail rooms Sunday before 2 p. m.?" That new voluntary regulation surprised a number of the boys.

Gee, I'd like to get in that Easter egg hunt Saturday at Municipal bowl, along with the rest of the "kids," but time has rested me out of the festivities. I've tried to reverse my age figures, and that wouldn't permit my entry. I'd even get shaved and imitate old Mahatma Gandhi just to have some fun with the boys and girls who a hunting they will go. I'll get a lot of fun from the sides. I'll place one bet, and win it—that they won't get any more pleasure out of The Journal's Easter egg hunt than I will. It's worth a lot of money just to hear a child laugh.

## Skinny Skribbles

I'm in favor of wind if it's mild, but when it gets wild it is just like anything else that is wild—beyond control—and anything that is beyond control inflicts damage. That is why orange growers are apprehensive when desert winds sweep through the orchards, start the fruit swinging and whirling, and finally tearing it from its anchorage. Oranges on the ground return no dividends.

It may have been the wind or an order from Chief Howard, Anyway Patrolman Claude Rogers, who usually guards the Cuban and South Main intersection in the interest of the school children, was in the business district yesterday.

Whether Chief of Police Jim Davis' method of stopping transients at the state line was legal or not, it stopped the hobo influx so far as train transportation is concerned. The railroad at least profited to the extent that they are not called upon for free rides. On a trip into the Imperial valley it was noticeable that train-tramps were conspicuously absent. The Southern Pacific freights seemed to be entirely in charge of the train and engine crews.

Searched all over town Monday to find someone who was singing "Happy Days Are Here Again." Just trying out the community optimism during a desert wind.

Inasmuch as we have an income tax, an inheritance tax, a sales tax, a city license tax, property tax, gas tax, water tax, it has been suggested that in order to make taxation complete, we should have a "breathing tax," and that will do away with the phrase: "As free as air."

Charles Ott on the way to the postoffice Monday morning with a large sized package under his arm, and a smile on his face. Charles's son, Jim, said word from Salt Lake City that it was a boy, christened Robert Lee Ott, and "grandpa" sent the necessary useful articles so as to give grandson the right start. Charles says he isn't a Mason, but he knows what triangles are for.

There must be a frame-up between the Wilmington winds and the mountains. Every time the Wilmington wind starts it crosses the valleys and hits the mountains. Then the mountains bounce the wind back again. The breeze like a squeeze play for the valleys.

The party who lost a pair of glasses on the running board of a car is great to the traffic officer who called the attention of the owner to this precarious location of the artificial eyesight. Which started a discussion about eyeglasses, and the cost of replacement. One of the group had a car broken and he said it cost \$7 to get a new one. The glasses originally cost him \$27. He figured it out that the other lens was worth \$20.

There is a lot being said about sending untrained delegates to the national political conventions. That gives the boys in control a chance to vote delegations in bulk.

The Journal carried a story in its last evening's issue about a former Santa Ana man, Jay F. Building and Loan association from the Bessemer debacle. This column several months ago predicted that if Demers was not interfered with in the administration of the properties he would bring order out of chaos. Where we come in is that "we told you so."

If the elements continue their destruction in this country the Red Cross will get behind in its work. Floods, tornadoes and fires have piled high an obligation on those more fortunate, who should express their sympathy in something more substantial than words.

Many moons ago someone called our civilization the human race, and custom has permitted its continuance.

For fear the "Lid You See" observers did not see this one, I'll put it in this column: "Disappointed patrons trying to get into the cocktail rooms Sunday before 2 p. m.?" That new voluntary regulation surprised a number of the boys.

Gee, I'd like to get in that Easter egg hunt Saturday at Municipal bowl, along with the rest of the "kids," but time has rested me out of the festivities. I've tried to reverse my age figures, and that wouldn't permit my entry. I'd even get shaved and imitate old Mahatma Gandhi just to have some fun with the boys and girls who a hunting they will go. I'll get a lot of fun from the sides. I'll place one bet, and win it—that they won't get any more pleasure out of The Journal's Easter egg hunt than I will. It's worth a lot of money just to hear a child laugh.
